

## Servant Leadership

Apostle and Prophet Tim and Theresa Early's prayerful kingdom strategy is to raise up an Apostolic Priesthood {Principle of Melchisedec Order, or King Priest Ministry} throughout the body and across the earth to bring kingdom culture and influence geographically and strategically in establishing kingdom purpose and corporate destiny within the saints.

That the *dethroning, dispossessing, disengaging, disemboweling, disenfranchising, dismembering, and driving out* of territorial principalities {principalities are tied into men's principles; challenge and change the principles of men and you will clear out the principalities of that region} over whole regions resulting in the re-affirming and re-establishing of Christ's triumphal reign {supreme} over those said regions.

When such mentalities are broken and destroyed over whole regions through strategic governmental prayer, apostolic campaigning, the revelation of the word, the demonstration of the Kingdom of God and in proper spiritual alignment to Captains of the Lord of Hosts and Spiritual Father's in those regions, ministries will begin to re-relate with Christ and His glorious church for the purpose of establishing kingdom theocratic government within the church, reforming the church to reform the nations into the governance and administration of the kingdom.

From a present truth perspective, whenever God wants to break through something fresh or new in the church, he raises up apostles and prophets as trailblazers in the body and across the earth to confirm and demonstrate the *supernatural dimension* of the kingdom, transferring those core dynamics into the global saints for kingdom advancement. These sent and set ministries of the Spirit help to steer and to navigate the corporate Christ, the many member son and together establish vision, revelation, direction, leadership, foundation, impartation, activation, generational blessing, legacy, government, and spiritual order and alignment in the earth.

For the church is moving from ascension or five-fold ministries to corporate and relational body ministry one to another through agape love, humility, and servant leadership!

*Ephesians 4:16; Romans 8:19; 1 John 5:4; Phil. 4:13; Luke 10:19; Joel 2:11, 28-29; Ezekiel 37:1-14; Daniel 7:18, 27*

The truth is we are all a part of the priesthood of the believers. There is never to be a separation of the church through a clergy-laity system, for this constitutes a priest-craft as revealed in the meaning of the "doctrine of the Nicolaitanes." In the New Testament Greek, "*Nico*" denotes "*power over*," and *laitanes* is the "*laity*." Thus, we get the clergy-laity syndrome. But beloved, if there is to be any distinctions in the body, it is only by the recognition of the different and distinct measures of grace and gifts bestowed to us by the Holy Spirit.

Although we are equal in *worth and value*, we are not equal in *anointing, gifting, and ability*. 1 Peter 2:5, 9; Revelation 1:5-6; 5:10; Exodus 19:6; 2 Corinthians 10:13-15; Romans 12:4-8; 1 Corinthians 1:10-13; 3:1-11; 12:1-31... Though Clergy - Laity may hold some special appeal unto many in the church system, it is nevertheless a foreign concept, practice, and particle aloof from the corporate anointing of the Christ and the streams of HIS manifest presence.

Now on a weightier scale any teaching or religious system which intimidate, manipulate, or dominate others yet deemed as HIS body is simply "*Charismatic Witchcraft*...Proverbs 28:9; 2 Corinthians 11:20...It is the same abused principle found in the Jezebel spirit...Revelation 2:20; the spirit or doctrine of Balaam...Revelation 2:14; and the spirit of the mono-crat Nebuchadnezzar...Daniel 5:19...(read also verses 20-22 and chapter 4:30-33). It all stems from in part a foundational text discovered in Ezekiel 28:12-19 and Isaiah 14:12-20. But notice Isaiah 14:12-15, for it reveals the "*5 I Will's* of the Pseudo day star...5"*I Will's*" which, oppose the 5-fold ascension ministry or Christ in administration.

*"I will ascend into heaven...*opposes the prophet and God's prophetic people...

*"I will exalt my throne above the stars* (denotes government in the heavens) of God...Opposes the apostle and the ministries which, establishes governmental order...

*"I will sit also upon the mount of the congregation...* opposes the pastor/shepherd and the expressions of grace to feed and to care for the flock...

*"I will ascend above the heights of the clouds...*opposes the evangelist and his far reaching ministry.

*"I will be like the most high...*opposes the teacher come from God (John 3:2)...

In principle, there are only two men on the face of the earth. One is Adam, and the other is Christ! Adam is the federal head of the human race, and Christ is the *federal head* of the *New Creation Man*, the church, the many-member Son. (1 Corinthians 15:22, 45, 47) In Adam all die, but in Christ all are made alive. Therefore, we shall derive our *abundant life* source from Christ, the

**Compare the two distinct natures of leadership. One *steals, kills, and destroys*, the other gives *abundant life*. One does not have the care and the concern of the sheep in mind, the other gives and lay down his life for the sheep. Under the category of the Good Shepherd, the sheep become one fold and is not in want or lack (of the daily spiritual provisions of the word of the Lord). up some other way). For lust takes {1 Samuel 8} but Love gives {1 Corinthians 13}

It is the Early's sincere desire to help serve, *encourage*, and to strengthen local assemblies. Acts 14:22. For many assemblies have simply started a church, but were never established! This is why Apostle Tim and Prophet Theresa are here to serve you and to help become a catalyst and launching for into the intended purposes of God for an electrifying destiny. So, while they are in your area (*city, state, & nation*) feel free to be a part of this *administration of the Spirit*, and let's grow together in love, leadership, legacy, and lineage! For the church does not produce the kingdom, but the kingdom produces the church...
