1} Apostolic Fatherhood and Sonship – Relational Kingdom Ministry

by Dr. Tim and Theresa Early

One of the joyful and rewarding benefits of the fathering dimension is that it produces the Spirit of sonship unto full maturity and spiritual inheritance of ministry in Love, Leadership, and Legacy through divinely appointed Lineage.

Spiritual – Ministry fatherhood leads the sons right back into the image of God {Galatians 4:19; Genesis 1:26}, back to Godhead -John 14}, back to the Father, the basis and foundation for all spiritual father – son ministry relationship.

It brings to light an important 5-fold unlocking of {1} Fatherhood of God which brings to light and life the revelation of {2} Man, Manhood, Marriage and the Family, of which comes a revelation of {3} The Kingdom, the kingdom which produces {4} The Church {global and local interactive covenant kingdom community} and from the revelation of the church produced by the kingdom comes a revelation and demonstration of {5} the Destiny of the Nations, global transformation, the meek inheriting the earth.

All of this stems from the Fatherhood of God into fathering dimensions established in the earth through His word and Spirit, and in his divine appointing. This simply means that the true foundation and discovery for all kingdom ministry, is father – son relationship, father – son spiritual order, the order of father and son, or simply the order of the kingdom of God. This takes us from Apostleship, Eldership, Discipleship, into SONSHIP, the image of God revealed through the manifested sons of God.

Fatherhood of the Spirit speaks to the seed sown - Zecharias who spoke into John at birth, who {A} named his seed, who {B} prophesied over and concerning his seed and {C} gives his seed an assignment -

the son in seed form becoming a multiple harvest of manifested sons - Luke 1:57-80; Ro. 8:19}.

It establishes the basis for the son to receive inheritance {2 Samuel 20:1-2} and double - portion {2 Kings 2:9-10 - *Passion of Elijah* verses 1-14 now becomes the passion of Elisha}, to walk out the promise with doubly fruitfulness, to provide spiritual authority and priestly leadership {1 Samuel 2:35-36}, to bestow and to affirm the son through honor {Numbers 27:18-23} as the son honors the father through the "Becoming Dimension," power to become the sons of God. John 1:12

The glorious dimension of Fatherhood reveals that God is *relational*, and within the core values of God himself are key word mechanisms which reveals that God is a Father of {1} Family, {2} Lineage, {3} Foundations, {4} Habitations {5} Generations, {6} Inheritance, and {7} Destiny as in Isaiah 58:12 – In the mind of God, it is a Family Affair as the word 'Son' in the basic Hebrew Definition reveals "The Builder of the Family name." The Lord is building and revealing a SON in the earth. Note further below the scriptural emphasis of God being a Father of begetting unto inheritance...

...In these last days spoken unto us by His Son, whom he has appointed heir of all things...being the brightness of His glory and express image of His person, and upholding all things by the word of His power...For unto which of the angels said He at any time "You are my Son, This Day I have Begotten You? And again, I will be to him a Father and he shall be to me a Son. Hebrews 1:2-3, 5

Blessed be the God and Father of our Lord Jesus Christ, which according to His abundant {plentiful} mercy has begotten us again unto a lively {living} hope by the resurrection of Jesus Christ from the dead. To an inheritance incorruptible, and undefiled, and that fades not away, reserved in heaven for you. 1 Peter 1:3-4

The revelation of God is being revealed through the SON. And the order of the kingdom is the order of Father and Son...note below...

**A - We are all sons of God and begotten of Him }...Vertically
And God said, Let us make man in our image, after our likeness: and let them have Dominion...Genesis 1:26**

B – Sons of God are also begotten in the earthly sphere, through appointed apostolic fathers – divine covenant relationships appointed of the Lord – Horizontally

For though we have ten thousand instructors in Christ, yet have you not many fathers: for in Christ Jesus I have begotten you through the gospel. Wherefore I beseech you, be followers of me. 1 Corinthians 4:15-16

And say to Archippus, Take heed {be careful about} to the ministry which you have received of the Lord, that you fulfill it. Colossians 4:17

C – Sons {not a gender thing} become fathers in bringing forth many sons of His glory, multiplied seed, a good man leaving an inheritance for his children's children. Proverbs 13:22

You therefore, my son, be strong in the grace that is in Jesus Christ. And the things that you have heard of me among many witnesses, the same commit {deposit} to faithful men, who shall be able to teach others also. 2 Timothy 2:1-2

Lift up your eyes round about and see; all they gather themselves together, they come to you; your sons shall come from afar, and your daughters shall be nursed at your side. Isaiah 60:4

Remember, Destiny Produces, and Legacy Re-Produces
Identity through Divine Relationships

But continue you in the things which you have learned and have been assured of, knowing of whom you have learned them. 2 Timothy 3:14

Let him that is taught in the word communicate unto him that teaches in all good things. Galatians 6:6

It is very important to know and understand who we are connected and related to with clear articulation, love, mutual respect, and open communication.

Identity is first noted in the simple truth that *"We come from Father {God}, and we return to HIM."* From here, the Lord takes us into a journey, a prepared place, a time of testing, maturation, proving, pruning, and development in which we are to engage our efforts

according to His Will and purpose. In this delicate process, he appoints us in the right paths to dwell in, and connects us with those, in synergy, synthesis, and in synchronization towards our fulfillment of HIS purpose.

In God's Kingdom and in the earthly sphere of His administration there is a set strategy and order of the kingdom to bring forth those born in identity unto God and His eternal purpose {Genesis 1:26} through appointed fathers of the Spirit. God the Father always has an appointed place for the developing of sonship, maturity, foundation, and the work of the ministry through godly, appointed, covenant, and divine relationships.

This is HIS ordained strategy and implementation set forth to connect with those who are given the vision, direction, revelation, leadership, foundation, government, training, and launching of the city and regional church unto a fruitful harvest and inheritance unto the Lord.

Once the local assemblies in any given area or vicinity move from in-house vision only into corporate, regional revelation and vision, from teaching to training, from starting churches to establishing and launching kingdom communities, and from exhortation to equipping, then the government of God can impact and advance the kingdom in whole regions saturating the kingdom into the lives of the corporate anointing, as the Lord will take the church then from visitation to habitation.

This can only come through His divine appointment, and not alone having gifting and great ointment only. It is one thing to have an anointing, and another to be in His divine appointing. Note below an important core dynamic of the kingdom and an apostolic strategy which affects regions and nations...

Two cannot walk together except they are agreed or appointed...Amos 3:3...The one outstanding feature and earmark of Elijah and Elisha in 1 and 2nd Kings is that they simply {A} Walked together, and {B} Talked together

And when Abram heard that his brother was taken captive, he armed his trained {initiated, to narrow, from a root word meaning to "discipline," the same word for "train up" a child in Proverbs 22:6} servants {in italics}, born {here's where the action

is, they were born - from another root meaning "to beget, to show lineage, bear, birth, to bring forth} in his own house, three hundred and eighteen. Genesis 14:14.

Notice the words above in bold which reveals the shaping of sonship, character, and leadership into destiny and fulfilled purpose...Notice also that each one of Abram's men were trained and begotten to go forth in the appointed time and season, liken unto the appointed time of re-relating and launching forth in the work of the ministry. Here, no one went out on their own witness which is a witness not true within itself. They were born and begotten, in the appointed place of the Lord for such a time as this.

This is why the Father places a premium on identity through divine relationships: consider the following...

[We identify with those who labor among us...](#)

And we beseech you, brethren, to KNOW them which labor {toil} among you, and are over you {principle of leading by example, precept, and demonstration} in the Lord, and admonish {to put in mind, to caution or reprove gently, calling attention to, warn} you. 1 Thessalonians 5:12

[We identify with those who teach us in the word...](#)

Let him that is taught in the word communicate {to share with others, distribute, be partaker} unto him that teaches in all good things. Galatians 6:6 {Also Philippians 4:15}

[We identify with those as being the proof {or seal} of their apostleship in the Lord...](#)

If I am not an apostle unto others, without a doubt I am to you: for the seal {or proof} of my apostleship are you in the Lord. 1 Corinthians 9:2

[We identify with those who have begotten us through the gospel...](#)

For though we have 10,000 instructors in Christ, yet have you not many fathers: for in Christ Jesus I have begotten you through the gospel. 1 Corinthians 4:15

Love, Leadership, Legacy, and Lineage continued...

In Deuteronomy 7:9, the Lord God is "The Faithful God," which keeps covenant and mercy with them that love him, and keep his commandments to a thousand generations. Psalms 103:17; 128:6.

Children's children are the crown of old men; and the glory of children are their fathers. Proverbs 17:6

From the scriptural witness above, we see that God wants his appointed fathers and sons to leave inheritance and legacy for now and unto the next generation. It is the Father's heart to pass on value and honor, foundation and generation through the divine order apostolic pattern of kingdom ministry.

If there is no preparation unto the next generation, or an ill-preparedness to pass on these apostolic foundations, then we would experience a robbed hope and a compromised future. God is a relational and generational God, and is reforming the foundations of our understanding unto global transformation.

The church as we know it cannot continue solely on magnification of personal gifting only, but in the divinely appointed covenant relationships of the Spirit: a means for which the saints can come into their rightful inheritance through the apostolic fathers appointed to the apostolic sons for now and the next generation.

As we stop we believe that a number of people will have questions to ask and more questions to be answered in time. Though this is just a synopsis of such all important things, suffice it to say that there shall be times ahead of intimate gatherings just like these as we build solid kingdom relationships and build line upon line, and precept upon precept, here a little, and there a little.

The one sole purpose of this session is to introduce to some, and to refresh with others, the purpose and importance of fatherhood and sonship as it reveals and produces HIS image and operation in the earth, and for the distinguished purpose in advancing the kingdom with a strong foundation for it.

In the current progression of the kingdom, there are powerful manifestations, paradigm and dimensional shiftings, and movements of the Spirit that are not left alone to an ethereal and ultra-nebula experience. But the Father would have these exciting features earmarked in great depth and profound degrees through the fathering Spirit, translated and transferred into a substance of shoe leather where we identify with those apostolic fathers who are given the vision, direction, revelation, leadership, foundation, government, and understanding of the regions coming into kingdom alignment, and to align ourselves in God's fashioning together to bring forth the greater grace and glory of the Lord through love, leadership, legacy, lineage, and the navigational properties of apostolic fathers appointed unto one another in the Lord.

For we are witnessing a powerful release from the High Priest and a Groan from HIS throne in the saints possessing the kingdom, and the saints releasing the kingdom unto a broken humanity.

Until then, Kingdom now!!!

and the sons to the father;

Malachi 4:4-6

**Prophetic Ministry through Kingdom Order
and Stability**

Dr. Tim and Theresa Early

Marked below in part are the following 8 "T's" of development in the progressive revelation of Elijah and Elisha...father to son...love, leadership, legacy, through lineage...May you discover who you are to be connected to in the Spirit for such a river to flow in your life, and through the lives of others...Amos 3:3.

1 - Trans-Jordan {in Dictionary, earlier name for Jordan}: The "trans" is a sense of crossing, and in some cases cross-pollination, or as trans-local, going to another place. In God's scheme of things, there is always an appointed crossing over to the other side. The 50 {Pentecost, 2nd day dimension who appears abashed at the glory of the 3rd day {Hosea 6:2-3}, and saw from AFAR this glorious crossover of Elijah and Elisha does not cross over themselves past the Jordan. In another sense the 50 or Pentecostal realm can only take you to the brink of Jordan. We must move from Pentecost to Tabernacles in this kairos crossover, that is the pattern of God's Feasts.

Therefore, the crossing over in part has to do with being appointed of the Lord and in the divine relationships of the Spirit to catch what He has for you, embrace the higher other in the Spirit, keep yourself focused and fixed on what God has for you in the crossing over through such divine appointment...Like in Numbers 11, the Lord took of the Spirit of Moses and gave it to the 70. It was Moses' spirit which became more to them than a mere concept, but revelatory and divine transference...

2 - Transmission of the frequencies of Elijah to Elisha {2 Kingsom

6): Do you hear the sound of HIS presence? With Elisha, he received the transmissions from Elijah, to the point of double portion, but also in Elisha's servant perceiving upon and around Elisha in Spirit chariots of horses and an open heavens upon Elisha, as Elisha had perceived and bore witness of such in the translation of Elijah...When you are appointed to a divine relationship of the Spirit, the order of God in father son relationship, you not only receive good teaching, or a few keys to the kingdom, but you receive heavenly visions, revelations, and the utterances of God passed down in generational glory. A true son receives the father's vision, revelation, teaching, and training, not just some academic notes to run off to start his own ministry.

3 - Transitioning of Elijah and Elisha after crossing the Jordan -

Both Elijah and Elisha experienced the transitioning into a new order, the passing of one form, place, and stage into another. Elijah would translate, but Elisha would habitate on earth to continue on the the legacy of the Spirit appointed of the Lord between Elijah and Elisha. True appointed divine relationships must take you somewhere, must beget something within you, and there will be discovered the DNA of the appointed relationship. Thus, the transitioning involves migration, and going into another dimensional shift of change, transitioning mentalities from just hanging out 2-gether wth a slight reserve of the son being confronted and challenged to change to the Spirit of the Lord producing in the midst HIS said will and purpose...

4 - Transference of Elijah to Elisha: Transferential dimensions - There was definitely a divine transference from Elijah to Elisha, a pattern and rhythm that would transcend many generations. This is the promised of the kingdom, the foundation of many generations. If you are appointed to a true relationship, bear in mind that the Lord speaks to generations, foundations, destinies, genealogies, not just to one individual person who himself focuses only on his personal needs. Also, each person has something the Lord wants them to leave or pass on unto the next generation. Therefore, when you are appointed to a father son relationship, acknowledge the significant importance of "Transference, impartation, and activation..." Witness what God has for you, and is working in you for the good of the appointed relationship, but also in passing down through transference these core kingdom values unto others...We are gifts given one to another, bread to the nations, broken to be served...

5- Transparency and translucency within the Elijah: Elisha relationship: Transparency is a vital key expression of appointed

relationships. Man want a hook up, which becomes more like a hiccup. We need transparency, and translucency, not a mere covering to sometimes cover up, but in one sense to be uncovered...I know that does not set too well with religionists, or those who only speak Christianese...With despotism authoritarianism, legalism, hierarchial forms of man-made goverment, intimidation, manipulation, and domination, transparency of pure motivation, and translucency of character and integrity is metaphorically thrown out of the window. We need real role models of pristine character in relationships, not "Do as as I say or do in unquestionable obedience and loyalty unto another. I pray that each of us become as a sea of glass, crystal clear, having nothing to hide...

6 - Transformation of Elijah and Elisha in covenant energy of synergy: Both Elijah and Elisha experienced a transformation, to change the form, appearance, condition, or nature thereof. That is what happens to the saints today when we move from mere information to revelation, or when revelation supercedes and transcends information, it produces transformation. Elijah was soon to {transilent - in a moment,in the twinkling of an eye} leave into another dimension and Elisha was appointed to keep his eye on the prize if you will, and to watch with focus and expectation unto the transformation. Many today do not walk close enough to their apointed other and are losing focus on what the Lord has appointed the relationship to be. When a son is appointed to a father, the son does not merely minister out of his gifting but within his sonship with his father. The biochemical process of the DNA being formed and fashioned within that divine relationship

If Elijah was appointed to a transformation {ascension, glory, another realm, a higher plain, etc.}, then Elisha was appointed also to a transformation, of a glorious kind, too {remains on earth in Double portion glory, even to the bones or deceased body of Elisha when a soldier's body was placed on his, and immediately the dead soldier's body stood up in the tangibility of the Spirit that remanied alive in the body of Elisha. O how glorious and powerful divine appointment is, in God's design, His order, and His way...

Therefore, when the Lord appoints the two together, there will come into substance and shoe leather, a transformation, unto the praises of His glory... Remember, Transformation produces transformers, more that meets the eye.

7- Translation of Elijah double-portioned into Elisha: Changing into another form, another place, or another time: Akin to transformation - The translation of Elijah was important to Elisha's double portion. When the

greater work is perceived complete or comes to fruition, and the father has taken the son to the level or realm of grace and glory for their appointed season to bring forth the double portion of the father in the son, then bear in mind, that the double portioning of the son never appears to leave in the shadows the impartation and direct relationship of the father as if the son is preminent over the father. The son is always a son in the absence of the father. The son, though moving into greater degrees of grace and glory, always acknowledges his father, even if months passes by...and there is no regular communication between the two. At that point, , like a chickling in the nest, it is time to arise and fly...for you have prepared unto this day...

I have met some who have desired to watch my life for one reason or another, and if we sense something significant in spirit to pass on to the son, then the son appointed in the spirit will always acknowledge the father in part for the double portion, but never to disrespect the father if the son appears to be walknig in greater degrees of things that the father himself could not do. When the bulk of what the father is given for to the son is done, and the father moves on to another realm of Glory, it should always bring honor to the father for the son to exceed and excel what the father was appointed to bring forth intothe son, and what the son is been given to come into - his INHERITANCE.

This translation is necessary so, when the work of the Almighty is brought into a greater degree of glory, and completion of purpose, that there would be no competition of one another, but proper recognition. Translation then, is that the Lord takes the father, and in time the son, to another place, leaving no room for ism, schism, etc. The translation should be the result of the massive impartation taken shape in the son, so the father is removed to a degree for the son to come forth into his quickening, and the change of pace is good... Why? For now, the son comes into maturity and full stature and responsibility, and the father in one sense can send the son on to his next dimension, for the son has received all that the father has for him, and it is in the good nature of true fathers to see the sons excel further unto the praises of His glory. I wish we had more time to examine the depth of the word which supports this powerful dimension of discovery...

8 - Transgeneration blessing of Elijah through Elisha: The generational {genes, genetics, genuis, genesis, genealogy, generators} blessing of fathers to sons, the promised order of the kingdom, a good man leaving an inheritance for his children's children, progenitors of a new gene or new generation. Isaiah 58:12-14 says it well, the foundation of many generations. The result, riding upon the high places of the earth and feeding from the heritage {or inheritance} of Jacob {Israel}, the transformed

man. Notice too, the transformational process of Jacob in Genesis 28, Genesis 32, and on...from the open heavens of Bethel {or Beth-ella}, the Mahanaim {Genesis 32:1-2 - city of angels, hey...}, and the wrestling with a man {some say angel} all night, who had touched the thigh of Jacob {maybe a limp of a walk sometimes, but it does not negate your destiny - so walk it out}...this other man whom he had wrestled with is none other than his higher self, Jacob wrestling with himself, his new name, name and nature change, Israel, or, *He shall Rule as God!!!*

The above are significant keys to the kingdom to unlock destiny within HIS appointed peoples...These "T's" are essential in the foundation and formation of His inner workings in the midst between the fathering and sonship dimension, essential keys and developmental understanding of the effectiveness today of Elijah Prophetic Companies...

More to come, stay tuned...

{3} The BORN IDENTITY

by Tim & Theresa Early

And when Abram heard that his brother was taken captive, he armed his trained {initiated, to narrow, from a root word meaning to "discipline," the same word for "train up" a child in Proverbs 22:6} servants {in italics}, born {here's where the action is, they were born - from another root meaning "to beget, to show lineage, bear, birth, to bring forth} in his own house, three hundred and eighteen. Genesis 14:14

The BORN IDENTITY, Ah, what a coined phrase! Reminds me in part of a popular movie franchise title - trilogy, only this time each part is PART {1} Little children {They know God}...PART {2}, Young Men {The Overcome the wicked one, {3} Fathers, {They don't just know GOD, but they know HIM from the Beginning - Ancient of Days..., the Wool and Hoary Head of the Lord} 1 John 2... {All summed up into 30, 60, 100} .If only we had the time to delve deeper into the subject. But for a start, let's examine the conveyance of this thoughtful process in the following...Apostolic Blessings...

Beloved, we have a growing dilemma in the global and corporate church today, as many are settling with complacency to becoming mere members on a roster or church pew, but fewer in manifested sonship.

Truth is, there is no biblical pattern for apostolic and generational destiny from supposed riotous and disgruntled church members passing down to other church members, though it is possible for one to transfer their frustration and lost hopes to others. Like Rachel in the book of Genesis, who named her son Benoni {son of her sorrow} in her dying moments, it is rather possible for those in a state of death to pass on generationally death structures in setting the precedence for a corporate calamity. Jacob, her husband however, was quickened to the name Benjamin, the son of the right hand {Benja-MINISTRY}...

For God is a God of **generations and foundations** {Isaiah 58:12}. That is His nature and design...

Destiny produces, legacy re-produces. Corporate Destiny is tied in to the revelation of **{1} GOD**, which produces a revelation of **{2} MAN**, which produces a revelation of the **{3} KINGDOM**, which produces a profound revelation of the **{4} CHURCH** and in this divine alignment comes the revelation of the **{5} DESTINY** of the NATIONS, the prophetic RE-Birth and apostolic RE-Build of the Nations...

In the present global dimension of the kingdom, **the churches or assemblies must position themselves to accommodate, facilitate, and to house as reciprocating conduits the revelation of the King and His Kingdom**, as a major restoration movement will involve setting the house in order. When the local assemblies are embracing the sound of HIS presence in cities, spheres, and regions, then the local assemblies are to reflect those **radical and revolutionary** changes which the Lord is establishing throughout those given regions.

God never sends a corporate release to become a corporate LEAKAGE {or the Leak Age - smile}. He does not endorse becoming corporate in one thing, and a corpse in another. When HE reveals himself, or is walking in the midst of the assemblies in that region, then it is divinely required that we move from VISITATION to HABITATION. When all we know and to do is to "HAVE CHURCH, or to GO TO CHURCH, **then we lack the foundation of what the King and His Kingdom IS, and what the Kingdom DOES.**

For there to be NEW WINE, there has to be NEW vessels to dispense this NEW WINE in the regions. And when there is little to no revelation of the King and HIS Kingdom, then there is little to no revelation of the Church

and the spirit of sonship which releases the manifestation {Romans 8:19-27} of the sons of God {A} through our given and divine purpose as sons of God in the earth, and {B}, the release of true spiritual and ministry sons in the order of God through the from the dimension of Kingdom producing the church.

As long as we have a mere "*church mentality*," there can be no true kingdom mentality of the corporate saints. Church agenda must become kingdom agenda. Kingdom agenda leads to a global mentality, **and a global apostolic mentality is in part having the mind of the Lord for planet earth.**

FATHER and SONS...

The order of fathers and sons does not stop here as a one time event, but continues as seeds of life in an ongoing rhythm and manner, becoming trans-generational {Malachi 4:4-6}, the foundation of many generations {Isaiah 58:12}. **In Proverbs 13:22, "A good man leaves an inheritance {or heritage} to his children's children.** Though it may carry the implication of a natural estate, it is nevertheless a kingdom principle, one that esteems inheritance in both the natural and the Spiritually, especially in the passing on of foundations, core values, and kingdom principles.

Furthermore, we can highlight the principle of leaving an inheritance in direct relationship of spiritual fathers to sons {not limited to gender - Numbers 27:4-8}, the legacy of a lifetime, as oppose to the distorted and disturbing patterns of sons who become fatherless and orphaned {Lamentations 5:2-3}, **whose posterity is shattered in ruins through a robbed hope and compromised future.**

In reference to the beginning scripture {Genesis 14:14}, Abram facilitated and nurtured a host of men that were armed and prepared to engage in a campaign {In the new Testament, a Strategy {Warfare - executing the apostolate, an Apostolic Campaign}.

But how? They were of the **BORN IDENTITY**, of his lineage {appointed to him in this respect}, of the house of Abram, submitted through a process of development, trained, and sent forth only at the appointed time. They did not go anywhere until Father Abram {Abraham} perceived the timing for their release, their season, and their expectation. **There is something powerful here in divine protocol and mutual respect which produces the favor of the Lord for the son's release and commissioning in ministry...**

In principle, the Lord delicately appoints someone into ones life that will speak into their progression and maturity, and in time, re-release them into the commissioning charge to do what one is born and purposed to do. **For**

again, doing comes out of being. If you are called to be a father to many, then you will at some time become a son unto another? If you are called to great gifting and anointed dimensions then are you allowing the Lord to knit you with someone before networking with another?

Are you ministering out of your sonship the biochemical process and DNA of what the Lord is doing between you and HIS appointed other or are you ministering out of your own dynamic gifting?

Furthermore, these men in Abram's house are not on record for kicking and screaming to leave Abram's house. They were not itching to get their own ministry, their big break, or to find the easiest way out of the so-called grueling process.

On the contrary, their sense of readiness and preparedness indicates that they assuredly valued the delicate and interwoven process, and the test of preparation. **They learned obedience through suffering and endurance in the appointed process.** And to lend to this principle here, we don't reign with appointed spiritual - ministry fathers if we don't suffer with them. For the sufferings of the father BECOMES the suffering of the sons...When the Lord appoints others into our care, as apostles we have a responsibility to recognize, raise, and to release them through the Quickening Spirit, as they are begotten unto a lively hope...

For the key is that they were BORN with identification to Abram as appointed there of the Lord, and TRAINED in his own house, in leadership and strategic operations. Their release was in part due to timing, wisdom, patience, and maturity. Maturity is the pivotal key here in where we are at, headed, and is becoming. Honesty is the ability not to lie to others, but maturity is the ability not to lie to our own selves.

That is what's lacking in many local fellowships and appointed relationships today, as we don't stay anywhere long enough for God to do what he wants to do in us, until the fullness of the appointed time. **We run from one fellowship after another, or have not regarded the significant importance and value of the appointed process, not having been properly fathered or disciplined.**

We have so many in official church membership, and fewer in discipleship, only to assume leadership in their fellowship. That is why there is little **SONSHIP!** Because we have not been BORN in right relationship in God's timing and purpose one with another.

But let's consider through wisdom, that we are not talking of producing a bunch of "yes men," or clones for our personal entourage, rather, instilling

divine commitment into appointed others, that in **leadership** there is **follower-ship**. In presentation, there is the test of preparation. In purpose there is process. If you are going to reign {1 Corinthians 4:8-13} with an appointed leadership, you will suffer {endure} with them in the necessary process.

For the Lord will have us to return to full circle in his eternal purpose, and has ordained the necessary relationships needed before you feel you are about to *"faint, quit, give up, or lose hope."* Yes indeed, your breakthrough and apostolic blessing is not falling out of the sky so-to-speak, but is coming in part, through the ones whom the Lord is appointing to you, and in the one whom he is appointing you to. Amos 3:3

My heart is burdened, as so many today are on the *"I think I'll call you my Spiritual daddy! kick,"* yet do not want the price or cost of the enduring process of being established in the Lord's choosing as father and son. Some do want a personal apostle and spiritual father and for themselves only, not to be shared with any other. **Some would prefer a spiritual or ministry father {or mother} on paper, and some refuse to be named with those that is believed to be their spiritual fathers or their divinely appointed spiritual sons.**

If there are those who are coming forth to acknowledge you as their father {or son} with contentious strife with the once significant other, put it into check, unless you are desperate and needy in being considered by others as a father in ministry, or to indiscriminately exclaim almost anyone as your spiritual daddy.

Don't be too quick to recognize those as sons appointed to you when they continuously carry a chip {boulder} on their shoulder from past relationships, only to dictate the parameters and boundaries of the newly appointed relationship through a sense of mistrust. **Don't be so quick either to call anyone your spiritual father - ministry when you have not been touched deeply inside by a deposit from heaven or lacking a profound inward settling and peace for such a progression.**

If there is going to be the appointment of a father-son relationship, it must endure the test of time, the process, and the necessary scourging and buffeting intended by God. It may require space, as it is **Lord who is turning the hearts of the fathers to the sons and the hearts of the the sons to the father, which also means to know what is in the heart of the fathers and the sons...**

No one should randomly call anyone their spiritual father or ministry dad out of convenience, especially if there is no mutual commitment to it. I

mean, you can if you really want to, particularly when you acknowledge your upbringing from some where or another in past history.

For in this we have what is called fathers in the faith, men of renown, those who have pioneered a legacy in the Spirit. In this you may acknowledge someone as a father in ministry, and in many respects may never have met them in your life, even though they are deceased and in glory. **You may cheerfully acknowledge their pioneering grace from a book, audiotapes, or old television programs. And that's cool in a sorta-kinda way and to an extent of course.**

But, in the appointed time the Lord he will bring together HIS TWO-Witnesses to walk together in agreement with HIM. **That is, if two of you together would touch and agree...Amos 3:3** The divine relationship will become tailor-made in expression, substance and incarnate, seasoned, and settled in the now, with the one whom the Lord would have to speak into your progression and maturity. Each other will know this is the appointing of the Lord. And when it comes, you will sense no hidden agenda, as the only thing it seems that is between you is the cross and its Finished Work...

One true way for this appointed relationship to take radical shape and effect, is that both of you must DIE to your own agenda, your own hidden motivation, to your own words, and let the Lord season and fashion the relationship to his desire and divine design. You really can't go wrong in an appointment like this, so stay open to HIS voice, and you will know HIM in the appointed other as well. Hebrews 9:16-17

If you are claiming an appointed relationship with a spiritual - ministry father while hiding or hanging out with another of the self-same intention, or holding on to the previous one just to see if the latter and more newly developed relationship may or may not potentially work out, then you have issues, LOTS of ISSUES!

For one thing, why come forwardly to your new ministry father flirting with the idea just to see if it is feasible to return back to the spiritual dad {s} you moved on from, and for what real reason? If this is happening it may be suggested that **those potential sons return back to their suppose former other, resolving any conflict, being restored to proper order, forgiveness, and re-relationship.**

And, if potential sons remain immature without admonition, they will potentially convey the self-same negative attitudes towards their newly discovered ministry father, moving from respect to tolerance and reservation, with no genuine evidence of what a true loving father son relationship is.

For a true appointed son will learn obedience unto the Lord in the divine appointing Hebrews 5:8. The son will be led by the Spirit of God {**Romans 8:14, becoming a "Huios," no longer remaining as a "teknon" {1 John 3:2}**}. The son will learn the voice of their spiritual - ministry father with the voice of the heavenly father for his/her life...1 Samuel 3....

For the spirit of the father must become the spirit of the son {Numbers 11:25 - for some things are not only taught, but also caught

The son will carry the DNA {**Divine Nature Activated** - the DNA of Christ manifested for what God ordained the relationship to be}, and the BORN IDENTITY, of the father-son relationship appointed of the Lord {smile - repeat 50 times, "**Appointed of the Lord**"}

The son will not assume nor determine alone their timing in launching forth into the fullness of their ministry, but with the aid, support, and loving admonition of their spiritual or ministry father {**I call this re-relation for a re-release of the re-commission** - as in one sense, like Apollos with Aquila and Priscilla in Acts 18:24-28}.

When you come into the place of God's leading as one is being appointed to you as a spiritual and ministry father, receive all that the Lord has for your newly appointed path.

Receive all that is to mature you for the appointed time, as two cannot walk together except they be appointed or agreed. **Despise not the small beginnings, and humble yourself to the mighty hand of God, for he will exalt you in due time.** In due season you will reap if you faint not, and BECOME a bold new glorious expression in HIM if you despise not small beginnings. Reaping and harvest is one dimension, Inheritance is what you become.

Remembering this that the son will always be a son in the absence of, or in the presence of their fathers, and honor will go to the fathers as the son is matured. The true spiritual maturity of the son is an honor indeed. And in Numbers 27:18-21, the son receives honor from the father.

And as we have borne the image of the earthy, we shall also bear the image of the heavenly. 1 Corinthians 15:49

Back to Genesis 14:14

In the principle of Genesis 14:14, Abram's 318 men were of the born identity, of Abram's own house. is there any true spiritual leaders today which you can that you are begotten of in your new progression from his or her house?

Is there anyone that you can acknowledge in private or person that this servant leadership of an apostolic father is one that has begotten you into a more lively hope, into a greater glory and electrifying destiny.

In this I see a delicate and interwoven pattern and thread throughout the scriptures, that if we are born to fly, then we need relate with the eagles. If we are born to soar we need to let go of the sore group. If we are called to the highest flight we need to move from the **BARN {Turkeys and Chickens}** to the **BORN {Eagles, the power of flight and focus, born to be and born to do}**. If we are called to apostolic reformation, it is good to be in close connection to such Moses' as the 70 elders caught what Moses had, his spirit the word said.

That's right, Numbers 11 confirms how the Lord would take of Moses spirit and place it upon the 70, and HE did. They even prophesied and did not cease. Why? They were appointed unto Moses. Just like Aaron's Beard, the oil is appointed to FLOW, and off so many GO, but the truly appointed remain to GROW in the Anointing of the APPOINTING the OINTMENT of the APPOINTMENT. Psalms 133

Thieves, Robbers, and Beggars...

I strongly believe that the Spirit of the Lord is the author of revelation knowledge. Revelation is the Lord. His nature is to reveal. He is ever revealing through the I AM that I AM.

When a man or woman goes through great length to take credit for another man's work, , or copy large portions of another man's work and places his name on it as the true author or originator of the given work, then that would be a lack of integrity, and at that, dishonesty. When a man or woman of God labors for many years only to find his or her resources published under the name of another man and ministry at large, with no regard from such person as acknowledging the pioneering author of such composed written and published medleys of revelation, this is not only stealing, but is a potential crime.

It is that which climbs in some other way than the prescribed way, a THIEF and a ROBBER as recorded in John 10...

In fact, people can amass millions for marketing someone Else's ideas, or stealing their recipes. Some go through great stride to get credit for something that is not theirs. I use to say that I did not care who got the credit so long as the Lord received the glory. But how can the Lord receive the glory when we are stealing from another man's house and is not faithful to that which is another man's...{Luke 16:10-13}?

If we are appointed of the Lord in a deep mutual relationship, all that the spiritual - ministry father has is yours. **All revelation the Lord is speaking through the fathers are lovingly embraced by the son. Truthfully, all present truth revelation submitted to the corporate body of Christ is the administration of the Holy Spirit, as the sent one always testifies of the sender.** If you want just another ministerial hookup {or Hiccup}, or to call someone your spiritual ministry father only for their connections, then it is not the true basis of a father son relationship...

The key is in the appointed relationship, as there is appointed revelation for appointed purposes, and all are not given of the Lord to receive the depth of the spiritual - ministry fathers: as in the 50 sons of the prophets in Elisha - Elijah's time, they 50 {Pentecost} could only witness of Elisha's crossover from a afar, and were not appointed in Elisha's process or transformation. 2 Kings 2

If a man shall deliver unto his neighbor money, or stuff to keep, and it is stolen out of the man's house: if that thief be found, let him pay double. Exodus 22:7

Identity {Through God's Appointing, Design, and Purpose}

Identity is first noted in the simple truth that "We come from Father {God}, and we return to HIM," as this is the Law of Circularity. From here, the Lord takes us into a journey {some may even say wilderness, smile}, a prepared place, a time of testing and development in which we are to engage our efforts according to His purpose and plan. **In this delicate process, he appoints us in the right paths to dwell in, and connects us with those in synergy, synthesis, and synchronization towards the fulfillment of HIS purpose.**

He permits the pressure to arise, vexation, testing, and proving, all to bring us into a place of total obedience to HIM, with a sense of aim and object in that suffering {or endurance} has a way of purifying our thoughts toward HIS kingdom purpose anyway. {Don't grit your teeth on these folks!}

He has the smith and the coals of fire, he has his Cyrus' to execute his intentions, regardless of the venue or vehicle of its operation. He has just

the right amount of conflict, pressure, and opposition, with every turning point and defining moment to bring about the stability of the kingdom within us. The right boss, the right friends {and fiends}, even the right enemies, he has it all together to forge in us the completion of His purpose that we may be loosed into our destiny.

Now, in one aspect of the principle of identity...

We identify with those who labor among us

...

And we beseech you, brethren, to KNOW them which labor {toil} among you, and are over you {principle of leading by example, precept, and demonstration} in the Lord, and admonish {to put in mind, to caution or reprove gently, calling attention to, warn} you. 1 Thessalonians 5:12

We identify with those who teach us in the word

...

Let him that is taught in the word communicate {to share with others, distribute, be partaker} unto him that teaches in all good things. Galatians 6:6 {Also Philipians 4:15}

We identify with those as being the proof {or seal} of their apostleship in the Lord

...

If I am not an apostle unto others, without a doubt I am to you: for the seal {or proof} of my apostleship are you in the Lord. 1 Corinthians 9:2

We identify with those who has begotten us through the gospel

...

For though we have 10,000 instructors in Christ, yet have you not many fathers: for in Christ Jesus I have begotten you through the gospel. 1 Corinthians 4:15

In the above samplings of scripture, we see how important it is to identify with established others in the faith, particularly those who are speaking into our life's progression, those who under gird us, and are leading us as examples in the Lord.

Whether the fathering spirit, parenting, role-modeling, mentoring, coaching, big brother or big sister, etc., they are to be true examples of the intended purpose in pouring into one another.

If we are honest with ourselves, we would admit that we are in part, an expression of a compound anointing, a corporate anointing much greater than one man. We did not emerge from under a rock, nor were we formed out of an amoebae. We are HIS image in the earth. And He is sending one unto another by HIS Spirit, possessing the counsel of the Lord, which stands.

These are they which shall not speak their own words {Isaiah 58}, not judging after the sight of their own eyes, nor hearing after their own ears {Isaiah 11:1-3}.

But a quickened people, born of HIS Spirit, ministering HIS endless life to those who are listening, and looking for HIS appearing in THEM! The Father has just what we need in those whom he is appointing one another to walk in. "Again, Two cannot walk together except they're appointed." Amos 3:3

HONOR: We are to do the following...

But continue in the things which you have learned and has been assured of {the principle of being trustful, finding trustworthy}, knowing of whom you have learned them {Proverbs 3:13; 4:7 - the principle of getting understanding}. 2 Timothy 3:14

Let the elders that rule well {healthy, wholesome, loving leadership} be counted worthy of double honor {the principle of how we value one another}, especially they who labor in word and doctrine {teaching and instruction}. 1 Timothy 5:17 {also, verse 18}

Honor your father and mother...{Applicable to the spiritual dimension, too}...**Ephesians 6:2**...Read also Malachi 1:6 as it contains several important principles.

And one sure way of showing honor to those whom teach and impart the principal thing {Proverbs 4:7} into our lives is to embrace it, receive it {Hebrews 11:13}, and to become the incarnate word of that message.

So we honor our leaders by becoming what has been truly imparted, established in, taught, and trained as the outflow and out working thereof. **For doctrine {teaching and instruction}, and the deeper depths of revelation knowledge is best understood when lived.**

One of the most important developments of fathers and sons is that the son receives the revelation of the father, and the son BECOMING matured and responsible in the revealed and living word brings that honor right back to the {1} The Father God, {2} Their spiritual - ministry fathers. It

brings so much joy to fathers when the sons are manifesting the impartation, and not just teaching it to be teaching it.

For I rejoiced greatly when brethren came and testified of the truth that is in you, just as you walk in the truth. I have no greater joy than to hear that my children {fathers have children} walk in the truth. 3 John verse 3-4

We also honor our leaders in becoming a tangible blessing. As the Lord prospers us we show our appreciation in so many ways. In this, it is neither legislative nor compulsory, but mutual, reciprocal, and voluntary. The only demand it seems, is placed on the principle of freely giving, in that we find it impossible not to give, get it! In this we find it is a blessing to be a blessing... "It is more blessed to give than to receive. Acts 20:35

The Generational Blessing, an apostolic legacy, a promised future, a new destiny

...

If lineage were not of any importance in the overall scheme of things, then neither would it have been in the recorded history and development of both testaments. If recognition and honor of true faithful men and women had no weight in the word, there would have been no need to mention the same even today.

Truthfully, the generation of lineage, in right usage and purpose, is a blessed discovery. We know that some use it to preach contention and strife, but there is a rather wholesome appeal in reading of the historical lineage of persons in scripture, as it reveals the development of the unfolding story of God's plan and purpose through his people.

The Old Testament is the account of a nation bringing forth a man, and that the New Testament is an account of a man {Christ} bringing forth a nation, His church, his holy nation, the new ethnic if you will.

When it comes to the listed generations of Israel and Judah then, Christ, and his corporate body now, we see the important factors for its forever successful consistency in that it reveals who each main character is in the purpose of God, their contribution in the continuity of God's plan and purpose, the significant importance and strategic purpose for that time, and the valuable lessons conveyed for the next generation to build on.

What we are simply saying is, that the integrity of the generational blessing was held in high esteem in the **1st Testament**. But today, we find so many gaps and holes in our society, indicating we have lost the momentum and consistency of passing on the covenantal blessing and inheritance of the

fathers to the sons. Thus, we have no inheritance or heritage to leave to our children. Like many preachers today, we don't expand our minds to the kingdom, but to a limited position of church, church at its best, or church at its best! {Romans 1:23}

And they that shall be of you shall BUILD the old waste places: you shall raise up the foundations of many generations; and you shall be called the repairer of the breach, The restorer of the paths to dwell in. Isaiah 58:12

{This is the spirit of prophetic and apostolic reformation, reforming foundations, reformation as our portion}

If we are going to experience a genuine trans-generational blessing we will need the **Spirit of FATHERING** in our messages and ministry that will give vision, direction, leadership, and the stability of the kingdom to many generations. Instead of the desolation of generations there shall be fathers {no gender, please} who will help navigate and steer the corporate Christ into the next generation, as well as to leave a rich deposit NOW, and for generations to come.

And wisdom and knowledge shall be the stability {firmness, steady, from another root meaning trustworthiness and established, faith {ful} of your times...Isaiah 33:6

So where are the fathers {1 Corinthians 4:15-21}? Well, where are the sons?

Where are the reformers? Where are those who have begotten a people of such passion? Where is the fathering spirit in the corporate anointing?

The Begotten...

And the things that you have heard of me {Paul is making it specific as a father in the gospel where the present truth is being heard and received from} among many witnesses, the same {the same core values, nothing different, no diversion} commit {deposit} you to faithful {trustful, those whom you can trust} men, who shall be able {compare to Jethro's counsel to Moses {Exodus 18:21} to teach others also. 2 Tim. 2:2

In reference to the above scripture, Paul adds value to his sons, not to diverge from what he has given them, but to commit or deposit the same to faithful men, as they too, are enabled and empowered to teach, training, equip, and to impart to others. Here, we see a pattern of consistency, an unbroken lineage of spiritual fathers and sons, without being watered down, without diminished capacity, and without loss, ill-regard, or waste.

In this I see the premium placed on faithfulness, trustworthiness, and the ability to father, teach and to train others. I also see how some have yet to identify with this apostolic pattern. For the key is not merely being successful, but authentic, being found faithful.

So I ask the question, "Shall we become faithful today to those who is imparting life into our life for lifetimes? Shall we carry on the DNA and the BORN IDENTITY of those who have deposited the seed of the kingdom into us for generations to come?"

Whosoever believes that Jesus is the Christ is born of God, and every one who loves Him who begets {to procreate, regenerate, bring forth, and conceive} loves him who is begotten of Him. 1 John 5:1 {Principle of begetting - begotten of God}

In closing, the Genesis of man is in God. In this, our true identity of dominion {the first great commission of Genesis 1:26, 28} is God-breathed, HIS very image indeed, as generation begins with HIM.

However, a process of time transpired, and many of us felt as if we had become degenerated. But the Lord would say unto you, to get regenerated, re-gene yourself by empowering the image of God in you to speak {2 Corinthians 3:18}. Remember that in Genesis 1:26, God talks to God, and that creativity and glory is made manifest when he talks to himself. In Luke 1:41, Elizabeth experiences the leaping of her child in her womb {John} as she hears the salutation of Mary {pregnant with Jesus}.

Why?

For God talks to God! And, God is attracted to HIMSELF!

May the Lord reveal to you who he would have you to connect with in Spirit and in Life {John 6:63}, and may the Lord define the appointed relationship by his choosing and design, that will only bring glory to HIM, forevermore.

Let's beget life, and no longer settle for growing church membership, but sonship, those who bear the image of the Heavenly Father, and those who are walking in the BORN IDENTITY {Genesis 14:14} of their appointed present truth apostolic spiritual -ministry fathers as unto the Lord. Let us minister life with the desire to leave an inheritance for our children's children, as the impartation and inheritance transcends and goes deep into the son and daughter, into their own seed, unto countless generations.

One of the **benefits** of the fathering dimension is that it leads the sons right back into the image of God {Galatians 4:19}, back to Godhead -John 14}, back to the Father, the basis for all spiritual - ministry father - son relationship which is Christ in God. God so loved that he gave, and true spiritual -ministry fathers give not alone what they have, but what they are, and what they have been given for as fathers of foundations and generations...

True spiritual fatherhood reaffirms the finished work of the cross {on another plain, the Finished Work of GOD- Genesis 2:1-2} into the LIFE of the son, speaking vision, wisdom, revelation, direction, stabilizing kingdom influences, accountability structures, defining divine assignments through divine alignments, governmental - spiritual order and the foundation of many generations into the sons. Isaiah 58:12.

Another important BENEFIT of the fathering dimension is that it speaks into the son's progression and purpose, liken in part to

Zecharias, Zecharias who spoke into John at birth, who **named his seed**, who **prophesied over the seed** and **gave the seed an assignment** - For the son in seed form becomes a multiple seed crop of many sons, **manifested sons** - Luke 1:57-80; Romans 8:19}.

Manifested sons are the embodiment of Christ in 1 John 5:8 when it says *"For this purpose the Son of God is MANIFESTED, to destroy or undo the works of the devil."*

It is not alone the son or sons simply having purpose in life, but their purpose becomes MANIFESTED Purpose, and to paraphrase this, MANIFESTED PURPOSE destroys the works of the evil one...for a **MANIFESTED Purpose** is a Purpose fulfilling the Law of Divine Intention, the principle of the Law of Order. It is the principle of being born to BE and born to Do, for doing comes out of being...

The Fathering Dimension establishes or reaffirms the basis for the son to receive inheritance {2 Samuel 20:1-2} and double - portion {2 Kings 2:9-10 - Passion of Elijah verses 1-14}, to walk out the promise with doubly fruitfulness}

What you are producing, what you are becoming, how it is dynamically effecting others, and where it is taking you into the fulfillment of your destiny}, **to provide spiritual authority and priestly leadership {1 Samuel 2:35-36}, to bestow and to affirm the son through honor {Numbers 27:18-23} into the greater commissioning through the Ancient Hebrew foundation of passing on love, leadership, and legacy through lineage - the foundation of many generations...**

Now let's take not for a few seconds below...

A - we are all sons of God}... 1 John 3...and remember, the foundation of God stands sure...

B - We are given in the grace of the Lord and in His timing, formation, character, and fashioning as sons begotten of another in the Spirit through fathers in word and Spirit...1 Corinthians 4:17-21

Now in each instance bear in mind two important words in the benefits of the Fathering Dimension... they are, **foundation** {Isaiah 28:16}, and **generation** {Isaiah 58:12-14}...These two words are dimensions and dynamics of the Spirit of the Lord to establish within the sons the generational blessing as the scripture says here...*A good man leaves an inheritance for his children's children. {Proverbs 13:22}...*

Lift up your eyes round about and see; all they gather themselves together, they come to you; your sons shall come from afar, and your daughters shall be nursed at your side. Isaiah 60:4

Continuing on, The fathering dimension always bring to light through the gospel **LIFE and IMMORTALITY** {2 Timothy 1:10}, non-decaying and deathlessness, a divine endurance and drive, a divine discontent and sore travail to fulfill the mandated mission and divine operation of God for each to carry out through their given personal sphere and technologies...

For in this delicate process of development, the son's divine assignments are predicated or hinged in great part to the divine alignments they have with those whom the Lord appoints into their Life and progression. In other words, Divine Alignments confirms or produces Divine Assignments...And in these divine alignments, the sons are begotten into a more lively hope, as the begetting results in their **becoming what they were already born to BE and born to DO...**

Now back to 2 Timothy 2:10...LIFE and IMMORTALITY...the force and momentum of the Spirit and the principles thereof bestows grace upon God's people through the fathering Spirit not to give up, but to go forward moving from mere concepts to transference, from transition to transfiguration to translation into the eternal

purpose of God. It takes the kingdom from being merely ethereal and ultra-nebula for many to release the kingdom in becoming a lifestyle. It stirs, steers, and stimulates our consciousness to birth HIS desire in the earth.

R&R&R

Further added, Right Revelation, Right Relocation, and Right Relationship is the key to divine alignment, fulfillment of given purpose, promise land, and inheritance. We shared some truths recently in an apostolic leadership meeting, we trust you will enjoy the following...

1 - Revelation: Being {it is in the be-ing} established in the present truth {2 Peter 1:12} introduces us to Migration. Revelation must first become real within you and me, must work in you, must bring change in you and me first. When present truth is being stirred, quickened, and activated in us we become a people of migration, a migratory people who are now infused and imbued with revelatory knowledge to take us boldly into bold new destinations...

Once we become a people of migration we ask questions and we place a demand upon kingdom principle to receive answers. Migration is present day truth of a people of global apostolic reformation. We need spiritual fathers to impart these profound dimensions as 1 John 2:13 says...

"I write unto you little children {30 - fold} for you know God...

And I write unto you fathers {100 - fold} for you KNOW GOD from the BEGINNING {Ancient of Days}

2 - Foundation: According to Ezra 3:11-13 the foundation was laid or established to the point where at one moment you could not tell if the people were shouting for joy or weeping. They

had become a people of divine order as in that same chapter they first built the altars {first things first} in the 7th month, set the altars in place for the right offerings day and night, and they kept the Feast of Tabernacles, too. The result was the laying of a strong foundation. Let the foundation be strongly laid...

3 - Reformation: Apostolic Reformation is reforming foundations and seeing things we did not see before. It is reforming our inward structures of our understanding bring change and calibrations to that which pertains to us and surrounds us. It is removing the faults and defects, it is creating a new world, a bold new sphere and influence of the kingdom, producing accurate lifestyles which are based on solid kingdom principles. For reformation people, "Reformation" is our portion. It is our destiny to reform {transform} the church in order to reform {transform} the nations, transitioning mentalities from Christianity, Church, into KINGDOM. God is a generational God. His agenda is earth!

4 - Embracing Controversy: Many lose heart in the process of reformation and migration, as bold new {or fresh and revealed} truth is established that may rock the boat and shock ones mental system. With true controversy comes confrontation of cardinal doctrines and carnal structures of men. Martin Luther began the early reformation era in Europe {1500's} in his partial revelation and renunciation of the indulgences and injustice of the Roman Catholic Church. Prophetic anointing comes through faith and obedience and boldly destroys and uproots that which the Lord has not planted, and the apostolic anointing rebuilds and expands upon that prophetic word, thus you have the re-birthing of the prophetic and the re-building of the apostolic dimension, via, apostle and prophet.

The one chief goal is restoration to purpose and restoration through process. Restoration, major theme in the script.

Acts 3:21. Also, restoration and reconstitution is bringing the pre-carnate into incarnate, and restores more than what we have appeared to have lost, but restores what we thought we never had!

Thank God for restoration!

5 - Becoming: The Becoming Dimension includes the equipping dimension, the 3rd Day ministry of Hosea 6:2-3 where we arise and live in HIS Sight, Foresight, and Insight. It is the revelation of Psalms 29, the Voice of the Lord causes us to see past the trees, apostolic destiny, going beyond the familiar, into bold new discoveries. One reason is that revelation is best understood when LIVED. It is the principle of being raised up in resurrection LIFE to become all of the truths that we father, impart, preach, and teach. It is a realm of glory and grace where we cheerfully let go of our control and kick over sacred cows, oppressive positions, and limited mentalities to boldly go where no man has gone before.

According to John 1:12 to as many as receive HIM gave he the power for us to BECOME the sons of God. For again, it is in the becoming. So embrace the controversy {especially when you are challenged to walk in a reformed and reconstructed kingdom apostolic reformation covenant and victorious eschatology}.

Embrace your wilderness when once the Lord has affirmed who and whose you are...immediately comes the Matthew 4:1-11 route, for the Lord is working things in us and out of us in the WILD-er-ness. Revelation 12:14...

Further on, true spiritual fatherhood is a dimension, a mentality, a relationship - based ministry, a spiritual force producing massive unstoppable momentum when adhering to the principles thereof, and walking them out in life-changing and life-giving nature.

Another benefit of walking together in this divine relationship is mutual reciprocity, for not one time is the father - son dimension

about ordering people around, intimidating them, talking down to them to keep them looking up to you inordinately... It is not assuming that everyone we meet is to become our {your} son, no more should you assume that every spiritual giant you meet is to become your spiritual father.

Truth is, the father - son dimension is a restored pattern of impartational and generational blessings, passing on foundations for many generations, genes, etc.

So often we hear of the generational curses of our world but far less on the generational blessings of inheritance, legacy, impartation, conferral, and apostolic deposits which become core apostolic in dimension, in thrust, in launching forward on the basis and foundation that the appointed covenant relationship is specifically purposed to take us into another level or dimension of LIFE!

So please discern this, and embrace every vital quickening and begetting into a more lively hope {1 Peter 1:3}. The relationship is destined to take you farther than where you have gone before, building on at least in where you have come from and bridging the gap, standing in the hedge, and repairing the breaches.

Though the Holy Spirit is our comforter and Jesus said he would not leave us comfortless {Greek - Orphanos -bereaved, parentless, or in principle those bereft of a teacher, guide, or guardian which means "fatherless}, the Fatherhood dimension enhances and expands upon this principle that no one in ministry needs to become totally an orphan, fatherless {Lamentations 5:1-3}, or spurious {Hebrews 12:5-13}, or to even feel this way deep inside. God has set spiritual ministry to relate with his people in the appointed time and the appointed place.

Continuing, there are many who have been burned in relationships, scared, and emotionally damaged. Some are so torn and twisted that they doubt very seriously that the

appointing of the Lord would have anything to do with them. They stay unto themselves and fall out of relationships from one day to the next, and internalize their pain and hurt to the extent that they teach and train others through their excruciating pain and open wounds...

Or, consider Rachael. In giving birth to her son Benjamin {Benjaministry} she instead call him Benoni, the son of her sorrow. She called him by name according to her outlook before expiration, her perception of her own life or death. But the breaker is here beloved in Micah 2:13, the Breaker Anointing, The Anointed One, to remove the burdens, and to destroy the yokes of bondage {Isaiah 10:27}. We can walk in the new day for deliverance is come and is the children's bread.

And to close on this note, another chief benefit of the appointed relationship is that the spiritual sons can cheerfully contribute freely and with joy to their spiritual fathers in the covenant giving as Aaron in the Old Testament received of the tithe, and as leaders of local flocks receive of the tithe in their assemblies for specific kingdom and strategic purposes...

For tithing is an eternal principle, it was over 420 years before the law, came through the law, through the cross, and in Hebrews 7:8 the tithe is received unto the Lord and witnesses that HE lives forever, an eternal priesthood, an unchangeable priesthood, a priest after the order of Melchizedek.

Tithing is 3-fold and is interconnected to all phases of life...And from here we shall share some beneficial exhortation for local leaders of local assemblies who may have had a few more challenges than usual in proportionate giving.

1 - We tithe of our substance as God has prospered us, the fruit of our hands and increase {body} Leviticus 27:30-34

2 - We tithe of our time, talents, labor, setting aside time as cheerful givers in the appointed work of the Lord - First-fruits mentality - soul

3 - We become the tithe, HIS tenth in the earth, his remnant {Isaiah 6:13} - Spirit tithe, all of which comes out of the eternal principle of setting aside the tenth or tithe, setting aside the 7th day as holy, and setting aside our time to assemble together, not forsaking the assembling in Hebrews 10:25.

Our prayer is that the standard of giving would arise all across the globe. For spiritual fathers pour out their lives to the nations and in like manner would the Lord cause great apostolic provision to be released back into the apostolic fathers appointed to the progression of others. Philippians 4:17-19.

May the Lord cause his face to shine and brighten your countenance in a way like never before, and may we all respond to the sound of HIS presence as he blesses us immeasurably to bless others indeed, in Jesus' name.

By God's divine appointing and anointing...
