

4 Kingdom Resource, Finance, and Prosperity Articles - Kingdom Giving and Receiving through Kingdom Priority...

For kingdom leaders, corporate saints, local assemblies, small home group meetings, bible studies, business development meetings, strategy sessions, seminars, work {WORD} shops, training, exhortation, and more...

Why don't you turn these impartations and apostolic messages into your own syllabus? Copy them, print them out and have it for your own personal library and study reference. Share with others and help them to become rich in the transformational truths of HIS kingdom.

Copy this Megafeast Email Edition {Addition}, Save it, and distribute to others.

This is the closing of the year, Fiscal 2007 for many has begun. The time is NOW to proclaim HIS Kingdom Reign over Poverty and lack, and to declare HIS abundance in Jesus' name! Creative Finance, Cash Flows, and Diversified Wealth and Apostolic Technologies are coming into view. Let's seize together 2007 NOW, and decree **Kingdom Prosperity's RISE and Poverty's DEMISE**. Apostolic and Apocalyptic Blessings...TNT

**Your NEW Year Begins NOW! Financial Freedom is HERE!
Receive it, Walk in it, LIVE IT and proclaim it to others! The
KINGDOM is NOW!**

**{1} MONEY AND
KINGDOM
RESOURCES GOETH**

{Floweth}, FROM you and ME, NOW!

Dr. Tim and Theresa Early

http://www.apostlesandprophets.net/g_l_i.htm

**Let us Decree and Rejoice 2-
Gether with you in this New
Season of Apostolic Breakthrough
{Acts 4:32-37} and Prophetic
Abundance {2 Chronicles 20:20}
or 20/20 Vision.**

**Did you know that Money take on the Spirit and the
Personality of who you are and what you believe and do?
Yes, money, though a blessing to have, can become a
tangible expression of the steward of those resources, for
how we think, feel, believe, act, and behave has quite a
tremendous impact on MONEY.**

If a person is stingy, their money becomes stingy. If a person is generous, their money becomes generous. If a person {As in Acts 5} holds back what can be freely and generously given, their money and resources are characterized by their intentions and obvious actions, for your methods and motives are become one. And the same with someone who finds it is more blessed to give than to receive. In each instance, money takes on the personality, spirit, and mentality of the one who is handling it.

One of the most important things about money and financial freedom is not alone amassing great tangible wealth, but in having a wealthy mentality, a harvest, inheritance, and breakthrough mentality, a mind of the kingdom that financial freedom begins in the mind, the heart, within, before money is ever attracted to us. It also becomes more affluent in the favor of the Lord over our life, and how we operate certain kingdom principles in the earth regarding SEED, TIME, and HARVEST. Genesis 8:22

If a person is stingy and gives grudgingly, their resources can potentially become tainted by that arena and sphere of thinking. If a person is an hilarious or cheerful giver, their money takes on that same kingdom trait, power-fueled by the motive of the kingdom which is love. 1 Corinthians 13

There is enough wealth in the world for each family to have a home and transportation all paid for, and to be debt free indeed and in their deeds, but a great part of the process of this redemption has to do with how we think, how we live, and move, and have our being. It is in part and parcel how we perceive the kingdom, the purpose and plan of God, the destiny of the nations, and God's favor, goodness, and abundance to mankind. Note below...

The Key to Success is Perseverance...

And the Key to Perseverance is Vision...

The Key to Vision is Purpose...

And the Key to Purpose is GOD!

The highest kind of money is God, God is source, and he is our resource! Money is not alone physical, but is spirit. It is first invisible, immaterial, ethereal, and in principle, eternal. Money has not all to do with what we spend, save, circulate, or invest in the earthy sphere, but MONEY is also The Emmanuel in principle. God for us, with us, and revealed in us, the US in the word JES-US! As he is, so are we. 1 John 4:17

There is a natural and earthly economy, and there is a spiritual economy. Economy is not limited to money, but how we steward and administrate what we have including our health which is our wealth. At times, how we handle our resources, if not for the better, can potentially forfeit us in greater spiritual realities. How we approach the matter of MONEY can sometimes or oftentimes determine the outcome of our INCOME or CASH FLOW

Money is first spirit, therefore the spiritual and higher reality of money must manifest into our souls, and from the soul we are prepared to receive it in the physical body dimension, which is in truth one of the lowest forms of money there is...

Yes!

For again, money begins with God, and wealth is much more than just money. I would rather be in the position of becoming a channel and rhythm, exchange agent, and conduit of money than just to have unto ourselves a lot of money unto our own consumption, assumption, and presumption. I would rather be a catalyst, a church-quaker of an earth-shaker, postured and positioned in the Spirit to

be in the proceeding word of the Lord, the mind of the Spirit, and walking from within the glory realm to declare, decree, and to speak release of kingdom resources than to have a lot of things to show for on a lower natural stance of living.

Stuff sounds good sometimes, but I want more of which we cannot see, the imperishable, the undecaying, mortal putting on immortality, even in speech, confession, and apostolic declaration. I would rather be in the position of the Spirit to see MONEY AND RESOURCES GOETH, from my strategic place and being in the Spirit: we BECOMING MONEY and Kingdom Resources unto countless many, even your very shadow being full of the substance of HIS Spirit, or greater than King Midas {smile}, whatever I touch in the name of Jesus Christ, is transitioned, transformed, transfigured, and translated into the pure substance of the kingdom in tangible manifestation and fruitful and prolific demonstration.

Truth is, YOU ARE MONEY!

You are Kingdom RESOURCES!

You are WEALTH!

You are LIFE and LIGHT in this world!

This is why wherever we travel or wherever we go, people ask us are we wealthy, and we say YES! I believe this to be because eternity is invading our time, and like two parallel universes, one which we tend to live by that which we see, and the other by the things not seen, the kairos of God is overtaking our chronos until there is a daily rhythmic flow and signature of kiaros manifested in the chronos sphere, or that the chronos makes way for the kairos to be our daily bread. Daily!

If you want financial freedom, you want GOD, who is source!

If you want a genuine breakthrough in the external, how about the one in the internal? Though the outward man perishes yet the inward man is renewed day by day. 2 Corinthians 4:16-18

Sometimes, your greatest breakthrough is not what you get into your hand, but what you release from within your hand.

Sometimes your greatest breakthrough is not what you get, but what you become.

And sometimes, your greatest breakthrough is not getting your material and earthly needs met, but in alignment to HIS assignment and becoming that conduit and vehicle of expression to simply show up wherever the cloud moves, wherever the Lamb goes, and whatever the Lord simply says to do. It has nothing to do with how important you and me think we are, but all to do with his grace, mercy, kindness, favor, longsuffering, and goodness, yea, the riches of HIS glory, wealth being God himself, and we becoming wealth unto many others through our measure of rule, sphere and apprehension of grace, and in the unlimited glory of the Lord through our personal technology.

Right now, let us begin to declare in this wise, that MONEY GOETH from you and ME, NOW!

Kingdom RESOURCES floweth from you and me, NOW!

In the 2nd Day church, people pull the lever as if they are in a Las Vegas Casino gambling for money! But in God, we don't gamble, we trust and obey! For many, the lever meant to them "It was time to get paid, Baby!" But make sure what a rhema is for one person not your infringement of trying to make it a logos for everyone else. God does not want to be viewed as a sugar daddy, HE is LORD OF ALL, and that is why Christ is at work in us, to become ALL in ALL, the Feast

of Tabernacles or Booths, coming out of our own tents, into the marvelous glory of HIM who is altogether lovely!

The Money Cometh is to be aided by a new way of thinking, that it is first and foremost what is defined to be the priority of the kingdom, and to advance the kingdom. When some wanted money to come to them merely for their personal gain, it became {again, for some} a selfish mechanism of gimme, gimme, gimme, gospel which becomes in some circles gimmick warfare! Unless the Lord is really pouring over and His manifest presence is abounding in this particular sphere of thinking and doing, and unless the Holy Spirit is leading us into new realms of HIS unlimited glory, our so-called copy-cattling of a slot machine experience of some may {without the real and genuine presence of the Spirit} becomes a s.l.u.t. [Selfishly Living Under those Things] machine unto others. For we are not thinking kingdom! We are not chiefly aimed to bless humanity {humanitarian apostolic dimensions, ambassadorial degrees of the kingdom in changing our world through dominion}...We attempt to make God into our own image and likeness, and it moves us from dominion to being dominated...

Again, 2nd Day Money Cometh is Awesome, but what's more, is the 3rd Day Church, "*MONEY FLOWETH and GOETH, FROM ME, NOW!*" For I am positioned in the eternal Spirit and in the weight of HIS glory to become kingdom resources unto countless many, to being peace and good will towards men.

So beloved, as a THIRD DAY Finished Work Done DEAL People, proclaim with me, "*I am a Conduit of Kingdom Wealth and Resources!*"

As a Melchisedec Order, I simply affirm and speak unto Abram that he is possessor of Heaven {Priest} and Earth {King}. We declare as Melchisedec that the Lord has given

Abram's enemies unto him, that he can {Colloquially} eat them up for lunch, hahahahahah...

Here are some more confessions to follow, declare, and decree, for I am that HE is which is I AM that I AM!

I am MONEY! I am Kingdom Resource! My LIFE {which is HIS LIFE} is full of the Glory of God, my whole earth is FULL of HIS glory!

I am The Head and Not the Tail, Above only and NOT beneath, for I am riding upon the High Places of the Earth and Feeding from the Heritage of Jacob, a Transformed man, from Jacob to Israel, the Israel of God!

I am walking in HIS Super-Abundance NOW, as a rhythm of kingdom expression and a divine change agent to bless others and to be an apostolic blessing unto so many in Jesus' name!

I am designed and aligned in the kingdom to release out of my mouth and from my hands wealth and riches, kingdom resources and abundant measures as anointed and appointed of the Lord, like the high priest if you will, one hand in the heavens and one hand in the earth, or as Melchisedec, a priesthood without end, eternal in the heavens, and manifested in authority, power, and dominion right here on the earth, King-Priest Ministry.

I am no longer stingy, but generous, and my giving is HIS living in me!

Kingdom resources are attracted to me,, for I am attracted to HIM who is AL-together Lovely... and I have become a conveyer belt and a means of Kingdom expression to move resources to and fro, by faith, by trust, and by his rest, declaring, decreeing, becoming and doing what I was born to be and born to do. I am prosperous in my purpose...

MONEY, GOETH, and FLOWETH, FROM ME, NOW!

I speak the release of the kingdom of God for MORE than ENOUGH to advance HIS kingdom, and to have a mind of total generosity to bless countless many in kingdom principles, kingdom purpose, kingdom provisions, and kingdom PLANS!

No longer will I live unto myself, but will become a change agent, as money of the Spiritual vastness of God becomes translated into my psuche, for my psuche is caught up into Spirit - source, and the soul or psuche becomes the expression of such source. My body and physical man is now ready to receive tangible kingdom resources to advance the kingdom, to help meet many other's needs, and to create kingdom community through the apostolic dimension - for the gathering and distribution of wealth and kingdom resources were administrated through apostles in Acts 4:32-37...

I Now flow in a new dimension and sphere of thinking, were I live to give and LOVE to give, Living is Giving and Giving is Living!

By the grace of the Lord Jesus Christ the son of David and the Seed of Abraham, I declare in righteous authority that abundance is here in my midst, even in the midst of my belly. I am wealth, I am abundance, and I AM that I AM by the grace of God! As HE is so are we in this world...

I declare and decree that wherever I go, favor exceeds funds, and where there seems to be no funds, Favor yet abounds that much more. For my life NOW is simply to bring pleasure to the Lord for which I AM created. My life is Giving, for HIS life is Living in me. I have seed for sowing, bread for eating, and I also move into kingdom patterns,

designs, and systems through faith in investing, planting, sowing, and the Lord of the Harvest will give the increase.

From this day forward I will...

Sow where I want to GO...Sow where I want to FLOW...Sow where I want to GROW...and Sow where I desire in the intimate Spirit to KNOW...This sowing is simply led by HIS Spirit, and is not for feigned motivation...

I will sow into apostolic revelation, grow into apostolic dimensions, flow in apostolic rivers, and know of whom I believe and have been taught of the Lord...foundations, generations, and inheritance is characterized in my of my Father in heaven, that man would walk in the blessings of the Lord which makes rich, and adds no sorrow!

As we stop, continue to connect your giving to an apostolic sphere, and by faith in Jesus name on a regular weekly and monthly basis. Abraham connected his seed sown to Melchisedec to his own destiny, for his giving at that time was wrapped up in where the Lord was taking him in the fulfillment of HIS purpose of which Melchisedec affirmed as an apostolic priesthood. Many have yet to see the significance of sowing into their destiny, unlocking and releasing bold new realms within their life through appointed seed. Covenant living also involves covenant giving. Seed sown is harvest grown. Harvest is what you get, but inheritance is what you become. May more saints sow into their apostolic inheritance, their prophetic destiny, into kingdom advancement, and global reformation which is their portion.

May the Lord continue to bless you to give cheerfully in this endeavor and we shall continue to speak into your progression with daily prayer, praise, thanksgiving, and apostolic decrees and prophetic declarations in Jesus name!

You are welcome to seed today to...make all checks payable to...

Tim Early - 6205 Saxon Drive, Houston, TX 77092, 713-263-7612 and 832-882-4594

It is not mere giving for the sake of just giving, but it is also in divine connection to purpose, destiny, and dominion. The soul must be one with the Spirit source, the higher kind of wealth, for there to be a divine transfer in the physical dimension of our being as we value who our source is, value cheerfully how the Lord releases his precious seed, and value graciously the benefit and joy of serving others through appointed seeding. It is more blessed to give than to receive.

Apostolic blessings - Philippians 4:17-19

{2} The Money Question?

Dr. Tim and Theresa Early

A feast is made for laughter, and wine makes merry: but money answers all things. Ecclesiastes 10:19

Whether we care to admit it or not, money is always a relevant discussion that seems never to go out of style, nor finds itself exhausted without words. Money, regardless of our race, culture, religious beliefs, gender, or creed, has become the subject of virtually every happening of time; from past to present, even of times to come.

Money, whether gained lawfully, squandered ignorantly or wasted away intentionally is something of an exchange, a sense of economic expression for all intent and purpose. Money is one of the most tangible means of the power of purchase *{or was that purchasing power}*, and should not be ignored for the simple reason that a few, or that a considerable many, have abused the *privileged use* of money thereof. Acts 4:32-37: 5:1-11;

In God's economic scheme of things, money is utilized for advancing kingdom purpose. In the home, money is surely needed to help stabilize the domestic flow and rhythm of things, setting the house in order through the lawful and legitimate venues of expressions such as a job, career, or some other given form of life work. In today's government, money is needed to sustain the natural order of things for any given nation and its quality of life. Not forgetting, money is vitally needed to help apostolic ministries and local assemblies to continue it's given mission, purpose, vision, and directional thrust as a corporate body of believers. Luke 6:38; Malachi 3:8-12; Habakkuk 1

So for a moment let's talk about money. Are you ready? Here goes!

Many saints still hold to an old pattern of giving and receiving, and wonder why they are in the financial rut *{grave with both ends kicked out}* they're in. However, with a little adjustment and change of pace here and there, and an honest approach for a *new dynamic* in seed, time, and harvest, we will see the glory of the Lord restored in financial integrity, quality, and quantity, being quickened to a lively hope then ever before. Simply speaking, we shall become a people of kingdom order, stabilized by a fresh new liberating influence of the Spirit of God that will break in, out, and all around us in Jesus name! Isaiah 60, 3 John 2-4; Micah 2:13

{1} - WHAT: What is our attitude toward money? What is our means of income and cash flow? What is the financial climate like in our homes now? What are our financial goals for this year and the next several years? What is our attitude towards God's biblical economy in the home, the local church, spiritual leadership over us in the Lord, and the advancing of the kingdom? What is the true nature of tithes and offering? What does it mean to you and me in giving and receiving? What is seed for sowing and bread for eating? What if a person eats up their seed and has nothing left to sow? If you only have a little money left does it meet a need or is it really to sow a seed?

Did you know that money takes on the characteristics of who you are, and what you do? The energy of your life's values and how we 'steward" God's resources takes shape through what our attitude is. If a person is grudging, their money becomes grudging. If a person is generous their money becomes generous. Whatever you are and however you handle God's resources including money takes on the image and likeness of who you really are and what you do with what the Lord has prospered you.

Not forgetting, the kingdom of God is righteous, peace, and joy in the Holy Ghost, therefore, our money should take on the kingdom or the kingdom is to be produced in what we do with our money. Is our money in right standing with God? Are righteous core values in place regarding money? Is there great peace in our home regarding money? Does it produce the Prince of Peace? Is there peace between each spouse over money? If single is there peace in your heart in how money is handled in your life? Or is the money always spent before your paycheck gets in? Is there joy in the Holy Ghost in your marriage and family? Is their joy in how the money is being made, handled, and allot for? Is the Righteous, Peace, and Joy {The Kingdom} being made manifest in your life regarding money? If there is a money question there is a money answer.

{2} - WHO: Who are we in debt to? Who do we often help in financial crisis? Are we teaching the same folks that we bail out each time something important for them to consider if at all times we rescue them without their accountability and feedback towards a change in their own heart toward stewardship and finance? Who is the financial provider {s} at home? Who manages the finances in our home? Who are they within our home that cheerfully give generously of their substance, first fruits, and increase to the appointed place of the Lord? Who is the apostolic sphere that we sow into generously as

connecting the tithe and offering to the destiny that is wrapped up within the Melchisedec Order of ministry? Who are the apostolic spiritual parents that you sow into on a regular basis?

Many local elders simply give unto their own assembly only, the one which they lead. Sometimes when traveling, we would sense that the local work which we are invited there to speak is discerned as having a constant struggle in the area of finance. We would relate to the leaders at times that we sense there is a disconnection in their giving too, while they themselves insist that the people are either not giving to their work or that there is constant poverty cycles in their midst. We would direct them to a higher kingdom principle that perhaps they themselves as local elders are not sowing to their Aaron if you will, that their giving ceased to prosper upwards as they contain their giving and receiving amongst themselves.

Or, that we may sometimes visit an assembly or sow seed to some brethren only to find out that there is a disturbance upon our giving to them, for they themselves do not give to a higher other in ministry. They receive, receive, and receive, but do not in turn give, give, and give, or tithe upwardly. Thus, it becomes a potential hindrance as the hypocrites of Jesus time they said but did not do. Or as the unforgiving man of Matthew 18 whose master forgave him, and in turns held hostage another man who owed him, and without mercy and grace refused to extend such towards the one who owed him. How soon did he forget that he himself was once in the same pickle as the one who owed him money? He played a so-called good game by demanding of others who owed him, while forgetting he was there in that same predicament just a short time ago with his own master.

Ministries which just reap unto themselves and sow little or nothing unto those who has unlocked their potential, purpose, and destinies through appointed covenant relationship are places that we are not inclined to minister to in most cases and for specific reasons. If they are not willing to sow into a higher dimension then themselves or neglect to bring the seed to their apostolic priesthood or spiritual oversight regularly, then how do these elders of local assemblies expect the greater blessing themselves alone by just focusing in on their local flocks to give when they themselves are not in pursuit to do as well?

If local flocks tend to the assembly and are appointed to the progression of the flock to cheerfully give, then that lead eldership is to first set the example and to sow into the one that is responsible for them in the Lord, their spiritual apostolic oversight; as the elders

local assembly is to the elders of their leadership and house. What right does elders have to insist upon the local flock for not giving into the assembly if they themselves are not aligned in the kingdom to give to someone who speaks into their progression, maturity, inheritance, purpose, and destiny?

{3} - WHEN: When do we spend our money most? When do we save our money the most? When do we waste our money the most? When do we tithe and give generously of our increase? Is not that a good time to start the New Year off with a good start in increased seed sowing, or with what little you already have now? Do we wait for the big one to come in or just believe in faith naming our seed sown, as it becomes seed grown?

There are many today who simply wait for the big windfall to sow a seed, and yet many more that, when the windfall does come in, there is an inner struggle to release that seed into the apostolic venue that God has appointed them unto. Size of giving does not determine alone the impact you make in the kingdom. If one's heart is not in it, whether they sow off their income taxes much or little is still the remaining issue at hand. If a person really wants to sow seed, they don't have to wait for the big break, they can sow as they go, sow as they grow, and sow into a whole new flow and expectation of giving whereas they don't think about it, nor reason if they have it or not. In genesis 26 Isaac sowed in famine and reaped 100- fold the same year.

Bear also in mind the importance of personal and family financial planning, and if needed seeking reasonable professional help and counseling. However, money is first spiritual, and starts with God, the source of our resource. Creating new positive habits produces habitations, or the habitation of habits. The corporate anointing of the saints can be deducted or deposited simply through our day to day habits. How we are and what we do on a daily level can affect in part the changes of the local church.

{4} - WHERE: Where do we spend our money the most? Where do we seem to waste our money the most? Where do we find savings in our budget the most? Where is the place where we offer God the tithe and the offering? Where is our mind at when we give or not, and in how we give?

Again, the daily practicality of things can increase or decrease strides and accomplishments within local ministries, or in giving and sowing seed unto appointed others. How many times have we heard from

preachers who said they were appointed to give and in one-month change their minds? Plenty! The one reason why they do not have a revelation of giving is that they do not have a revelation of living, for living is giving and giving is living. We live to give and love to give.

When people have a hard time receiving apostolic, governmental, kingdom order and alignment, it is because they have a very personal problem in their own self-government. When we realize that money is first ascribed to God, we won't live any kind of way. There would return a reverential awe and the fear of the Lord in giving and living, and God would receive the first fruits and increase first and foremost. There would become a renewed respect to God's house, the place of His choosing, the place where His name is, the appointed place of the Lord. A cheerful giving attitude will be in result of our gratitude to His attitude towards us all. Cheerful giving in attitude is a blessed attitude, affecting cheerfully our latitude and altitude in life.

{5} - HOW: How do we spend our money? How do we waste our money? How do we save our money? How do we set goals in our finances? How does tithing worship God? How do you see yourself in 6 months?

Again, attitude plays an important role and development in our money. Some couples have been reported arguing over money and other domestic disputes, and immediately afterwards one spouse would go on a shopping campaign spree, spending unnecessarily somewhere between \$300.00 to \$500.00 in groceries. Why? Because of the way it made her feel inside to have such control over the money in the first place, or the way she or he felt when leaving an unresolved intense discussion {fight}. For him, it was the thrill of a lifetime to take a jab at his wife and purchase an unscheduled expense of a powerboat when they themselves can't even stay afloat at home, in marriage, or in anything else. Get it?

Improper attitudes arise when we are not receiving and accepting healing in our emotions. Often, when an intense argument arise it gives hint to where our emotional development had ceased to grow in that area years ago. People can be 40 years old in age but their emotional development is 19 years old. That is when they stopped growing in the most important part of their development then until now. They have grown in stature, but not emotionally for a man 40 years of age. We give classes and seminars on this subject as well.

Therefore, when money issues come it, it may have been predisposed by their disgruntled parents in watching these parents in their weekly

boxing match between father and mother, predisposed anger in the womb before they themselves were born, poor role models and poor self images, and more. The height of a man or women's deepest root in anger and hurt can potentially tell others where you have stopped growing emotionally. That is why they are unsuccessful in relationships today as that same or similar instance arise, and the negative emotions come right back into play.

{6} - WHY: Why aren't we prospering in financial abundance? Why does the Lord place a premium on giving? Why do we hold on to the scheduled biblical giving as if it is totally ours to do whatever we may please. Why aren't we the head and not the tail?

The scripture says in Matthew 6 to "*Seek first {and foremost} the kingdom of God and His righteousness, and everything else shall be added to us.*" One of the unfortunate turns away from Holy Writ is failure to align ourselves to God's spiritual order and the lack of producing those spiritual structures in our lives. One of the most profound things is alignment, and oftentimes the one thing needed in the vibrant life and development of the human body is in how properly aligned it is to ensure optimum health.

When things come into alignment in the body, the oxygen can flow better, the blood, and more. When alignment takes place in the home, a passionate return and restoring of His order in our lives, then again, divine order equals divine presence. Kingdom priority should become our focus, passion and delight, not assuming order as some rigid set of rules and regulations in the boring context. No! But taking time to initiate a new approach towards the things that prevents reproach.

When we as kingdom people return to "*First things first,*" His order, his purpose, His priority, and his Plan, then we shall begin to reverse the grip of poverty, lack, fear, confusion, and discord, and break the back of the enemy and his spinal cord with kingdom agenda, power-fuel to propel and launch us forward from a foundation which He himself has laid. For in 2 Timothy 2 it says "Nevertheless the foundation of God stands sure." That's right, it stands sure, for sure, of certainty! God is a God of foundations and divine structures, even orderly lives pristine and accurate in kingdom culture and configuration. By returning to His order the increase of HIS government & peace will become just that in us, and to no end. Isaiah 9:7

Right now, consider this that *Genesis 8:22* teaches us of the *Law of Seed, Time, and Harvest*. Yet many of us have not broken or

destroyed that old pattern of thinking when it comes to God's house, His appointed place, or those who he has appointed to take us into our next sphere of destiny.

We are still permitting old thinking to stagnate and to stifle our progression in kingdom financial harvest. Old order patterns and death structures must be destroyed, demolished, and broken away from in order to see a *new* paradigm and dimensional shifting take place. We must expeditiously embrace and to advance into a new frequency and sphere of accurate spiritual knowledge and obedience to God's way of doing things, to see the *manifestation* brought forth in our very own lives.

For again, in order to procure and ascertain new things we must renounce some old things as well. Whether at home, or in the local church, Divine order equals divine presence.

We pray this time has not only been thought-provoking, but life-changing and stabilizing through the influence of His Spirit to shake all that can be shaken so that all that cannot be shaken remains.
Hebrews 12:26-28

{3} RELEASING APOSTOLIC PROVISION

Dr. Tim and Theresa Early

Apostolic Provision is a present truth understanding of the gathering and the distribution of wealth through the apostles of Grace.

In Acts chapters 4-5, the resources are laid at the apostles' feet. Please note full well that the apostrophe is behind the {s}, denoting possession or belonging to.

In other words, the practice of laying resources at the apostles' feet ascribes worth to the spirit of the apostolos and apostello. For even Christ and the Holy Spirit were sent in the spirit of the apostle. Yes, the Spirit of God sending his son and the son sending another comforter {Holy Spirit} is definitely apostolic in nature...it's apostello.

The very heart of the Father is that God so loved that he gave. In such giving, he sent his son; and whenever you lay money {possessions, finances, resources} at the apostle's feet, there is a fresh new corporate anointing released as the saints receive the blessings for which the apostle and the apostolic dimension was given to the body of Christ and the earth. When you lay the resources at their feet, something significant happens in the spirit realm that ascribes worship to God for this destiny dimension of ministry, a ministry, which pioneered the early church, and a ministry, which speaks into the corporate destiny of the saints and the {Marketplace} world.

The sending aspect of Christ to the world, and the Holy Spirit to the church, is apostolic in nature, scope, character, and dimension. Therefore, the gathering and distribution of the possessions and resources in another sense "worships" God in the significant contribution of what and why the Heavenly Father has given the apostolic dimension in the earth in the first place. {I.e. God sent {apostello} his son}

When you lay resources at the apostles' feet, it testifies of the truth that apostles of the Spirit today are given the grace and anointing of the Spirit to administrate the wealth and kingdom finance in the assemblies and appointed or related ministries. Possessions that lay at the feet helps meet the needs of the appointed assemblage of the

saints, and to advance the kingdom. This again, is confirmed in Acts 4, as the people had one mind, one soul, one heart, and one purpose. That is a vital key in releasing apostolic provision, and the attack upon lack and diminished capacity of corporate poverty.

Such giving was acknowledged in our hearing when one of the covenant ministries from Columbus Ohio spoke with us that the saints began to bless one another financially, wherever the need was. One person after another gave cheerfully to each other to help in time of need. The apostle and lead elders of the house witnessed this with open hearts unto God and His precious peoples, as an open heavens had now become a stayed opened heavens in their midst. The pattern was surely Acts in action, as there was selfless giving to encourage one other in love. I call this in part, apostolic blessings in Philippians 4:17-19. For Paul calls it fruits that abounds to your account, becoming a sweet odor or fragrant of incense. The result, "*but my God shall supply all of your need according to HIS riches and glory...*"

Further on, when there is a lack of apostolic provision for any apostolic house or apostolic ministry there is a lack of apostolic release. For it is not the saints which pray and decree alone the blessings of the Lord upon the "Sent Ones" in their delicate tasks, but it is the kingdom finances, prosperity, and diversified wealth too, which accompanies the participating prayers. All people cannot honestly pray "*But My God Shall supply all my need*" without the other part of "*Fruit that abounds to your Account, and your giving becoming a sweet odour or fragrance of Incense*" in verses 17-18 of Philippians 4.

For the two main tangible sources of support which gives fuel and ammunition to every local assembly and apostolic sphere is {1} people and {2} finance. Without these two, your general commitment will lack a very specific commitment, thus, becoming a false commitment. {"*I'm with you brother!*" *I'll be thinking about you in my prayer closet this week!*" *I'm right there with you my sister!*" *I make a verbal commitment to the elders that they can count on me to be a financial blessing, yes sir!*} Hmmm!

Now beloved, the enemy hates kingdom finance and reformed kingdom economics.

When there is a valuable portion of wealth distributed through the assemblies in connection to the apostolic spheres which brings kingdom influence to these said ministries for the advancement of the kingdom, it serves a crushing blow to the works of darkness and

dismantles and disrobes the very stinginess and god-robbing that has plagued so many people. For we see how unity of purpose and provision were given for the local apostolic assemblage in Acts 4, only to turn to chapter 5 in discovering Ananias and Sapphira's direct rebellion against God through their deceitful withholdings and conspiring minds.

Ananias and Sapphira reminds me in part of Adam and the Woman in Genesis 3, whom partook of the Tree of Knowledge {independence from God}, and were cut off from Eden, God's pleasure and delight. In Genesis 1-3, God had established the Genesis of creation and marriage, and in Acts 4-5 there was the Genesis of a new paradigm and dimensional shift in giving concerning the apostles and the saints. In both events, a married couple chose to disobey God and to rob from their own destiny. What an indictment, pitiful position, and futile ending in the pursuit and progression of purpose.

Now the word "*feet*" in Acts 4:35, 37, and 5:2 is defined here as "*foot.*" In principle, God commanded Joshua {Joshua 1:3-9} that every place where the soles of his feet would tread, he would be blessed and possess it. In this I see a present truth kingdom principle of Apostolic Acquisition or the place of spiritual authority and covenantal grace where the apostle stands.

The apostles' feet is the place of God's divine authority, where the function and administration of the apostle stands in the corporate body of Christ. In this, I see the seed of the woman crushing the head of the serpent. I see Jesus standing in all power and authority in the assemblies. I see the apostle recognized and received in their rightful place not as a foundation in the church, but, with the prophet, as THE FOUNDATION of the church, according to Ephesians 2:20. {Jesus is the chief cornerstone}. Note: to function in such service is to be servant to all, servant leadership, serving on a whole new level of grace, glory, and powerfully bold new discoveries.

For when we give to the Lord at the apostles' feet, it also implies laying the resources at the consecrated purpose of the apostolos and apostello in the earth. {Divine mission, Mandate, Dominion, Perfected for Purpose and Designed for Destiny}

The feet which heralds the gospel of the apostles, the feet and legs of the apostles which upholds the body of Christ, and the feet of the apostle for standing in their rightful place in the body reveals apostolic purpose for kingdom advancement by acknowledging also apostolic alignment for apostolic assignments.

So what about apostolic provision? It is one thing to have purpose but provision is to come according to the purpose. And if apostles are purposed to navigate and steer the church into new corporate destinies and in relational regional ministry, then the provision is to accompany it. Therefore, apostles of present truth are apostles of apostolic provision, the provision coming from the Lord through His said and appointed ministries, appointed and prepared people of the Lord.

Oh Beloved, if only you could see the power of laying resources at the apostles' feet. If only you could rejoice at the disturbing of the forces of darkness when the resources are laid at the apostles' feet. If only, beloved, you could catch the spirit of what I am saying here, how that the money and resources at the apostles' feet is the one main difference made in disrupting and disengaging the intended operation of the enemy but also opening up a stayed heavens and floodgate of revelatory purpose and destiny for your life. You are giving and sowing seed into your destiny. And Abram sensed this by just a brief encounter with Melchisedec in Genesis 14:18-20...He tithed of all that he had when the quickening agency of the Spirit of the living God pronounced upon him a transformational apostolic and prophetic blessing, one that would generate generations and re-gene genealogies.

Yes, I appreciate the fact that a number of ministers walk in Paul's shoes, and are tentmakers {literally, leather goods}, providing for their own expense. But if the Lord is expanding our view on this matter, as he did with Peter, the once prejudice {to pre-judge} apostle toward the Gentiles {Acts 10: his open heaven experience changed that}, then why do we feel it is necessary to put all apostles and elders in a box?

Why can't we catch the spirit of this and grow together without any distractions in advancing the kingdom. Why should leaders of the Spirit be forced to scrounge for pennies, when there is corporate community within the corporate anointing, although it is dangerous for many to focus on anointing without relationship and covenant? How can all things be in common if we are not communicating?
Galatians 6:6

We need to change our perception of God, and God's appointed apostles of HIS harvest who are destined to help bring to light and life the many sons of the father's glory in inheritance. For harvest is in part what one receives, and inheritance is what you become. One serious problem is, that some feel you should not live in

this level of expectation as the whole assembly has needs, too, and that it is a lot already just to believe for the daily necessities of life. In the resounding {yet disgruntling} and echoing words of many it would be considered cruel and unkind for a so-called senior minister {apostle elder, shepherd, etc.} to have plenty of material possessions and financial resources above most others, quote many. Yet some would have it no other way but for their senior leaders to dwell in abundant harvest. The coin seems to flip on both sides, and there are yet mixed views regarding financial support for senior leaders of assemblies and apostolic ministries.

If the community of the saints are blessed, prosperous, and is growing together in intimacy, then we have an understanding of the matter at hand for seeing primary leaders provided for, as we continue to see one another provided for in mutual love. For truth is, though the plans for that ministry may change, the purpose may remain the same. If the purpose is for healthy interactive covenant kingdom community, than continue in that purpose, even if the plan changes. If you value the unity and essence of oneness with Christ and one another, then what is to say you can't have this same oneness after witnessing the primary leaders developing an intense stride through kingdom motivation to better their lives in a lawful and legitimate way?

Why cease from walking in love if the senior leaders of emerging and growing relational apostolic houses have only the greatest and far-reaching and abounding love to share with everyone at all times, more love and passion for the body at large than their own founding ministry?

Why become suspicious of primary leaders now, who are legitimately blessed to own a new SUV, or to take their family on vacation? If the purpose is covenant oneness in Christ one with another, then there should be no ism or schism in the body, regardless of the growing size of financial support provided there are well and defined lines of communication, community, or communion and in all of our getting we get understanding. What we should be witnessing is the size of the heart in generosity and gratuity towards God and his appointed peoples, liberal willing and cheerful giving from either end, {Acts 4:31-37}, not the size of someone's head or hand... {Revelation 13:16-18}

If the saints want to show gratuity, then praise the Lord. If primary leaders continue to be the example of the apostolic centre and house in the region, with no hidden agenda, then praise the Lord! If we can get along with the understanding of corporate giving, and unite

around the Person of the Lord for a healthy congregation and vibrant life-changing assembly, so be it! Why become legalistic over a true leader leading by the example of Christ cheerfully receiving as well in tangible resources, especially if their sole purpose is served through true full time apostolic ministry?

What we are speaking here is the anointing, authority, and the agenda of the Apostolic Spirit and for those appointed to the Apostolic Spirit to sow as they grow, sow as they go, and to sow as they flow...

For an apostolic Spirit produces apostolic foundation, built largely through apostolic character. An apostolic Spirit contains prophetic vision. And an apostolic Spirit releases Destiny in the earth not alone in churches. If there is little being sowed in to an apostolic Spirit, how then can there be the full release of apostolic vision, direction, fathering, leadership, training, foundation, purpose, destiny, heritage, and inheritance to {or in} the body if people do not receive or reciprocate the importance of supporting the apostles of the Spirit through Apostolic Provision? It is one area of importance for apostles to reap of the Spiritual things connected to their love, leadership, and legacy through lineage, but also to reap of the carnal things, things which helps to assists apostles in regional transformation, including support for web sites, itinerary, relief funds to the elders and saints, books, tapes, CD's, DVD/s, feeding the poor, humanitarian aid, ambassadorship, schools of ministries, launching of assemblies, and for their daily administration of living.

Now honor of course, is not limited to money. But, honor is an important development in the growing corporate anointing Honor can be given to apostles of the Spirit, recognized apostles to your region {place your region here_____} when one receives and becomes of the revelatory spirit that appointed apostles impart and activate in many. Honor can be when one walks out the life-giving and life-changing nature that apostles transfer into the global body. Honor is when you walk in the truth of what is given you to be and to do through apostolic revelation. And honor can be financial as the Lord has prospered you and yours to give. Let us continue to honor those that are among us as apostolic fathers to the body, the regions, and the destiny of the corporate saints. And let honor grow into tangibility, the prosperity of the work of your hands and of God's favor for your life as you sow cheerfully and freely into sent and set apostles to the body of Christ, and the nations of the earth.

Whether honor for the widows {1 Timothy 5:3} or honor one for another. {Romans 12:10}. Whether honor to the Lord in our substance {Proverbs 3:9} or honor as a servant to a master {1 Timothy 6:1}.

Whether double honor to those that labor in word and doctrine {1 Timothy 5:17-18}, or more abundant honor to the less honorable and uncomely parts of the body {1 Corinthians 12:22-28}.

Whether honor from the fathers to the sons {Numbers 27:20, or honor to the fathers from the sons {Malachi 1:6}, let us honor one another as becoming Christ. Psalms 149:9; Ephesians 6:2-3; Proverbs 5:9;

A prophet is not without honor, except in his own country, and in his own household. Matthew 13:57 {Also John 4:44}...A son honors his father and a servant his master. If then I be your father, where is my honor? {Malachi 1:6}

And I will raise me up a faithful priest that shall do according to that which is in my heart and in my mind. And I will build him a sure house, and he shall walk before me my anointed forever. And it shall come to pass, that everyone that is left in your house shall come and crouch to him for a piece of silver and a loaf of bread. And shall say, "Assign me, I pray you, into one of the priests offices, that I may eat a piece of bread." 1 Samuel 2:35-36

And the Lord spoke unto Aaron, "You shall have no inheritance in their land, neither shall you have any part among them. I am your part, and your inheritance among the children of Israel. Numbers 18:20

Take heed to yourself that you forsake not the Levite as long as you live upon the earth. Deuteronomy 12:19

Let the elders that rule well be counted worthy of double honor, especially they that labor in word and doctrine. For the scripture says, "You shall not muzzle the ox that tread out the corn. The laborer is worth of his reward. {1st Tim. 5:17-18}

Let him that is taught in the word communicate unto him that teaches in all good things. {Communicate – Greek word, "to share with others, distribute, be partaker"} Galatians 6:8

Let God cause the Spirit of honor to be restored back to the sent, set, and appointed apostles of your progression. For one thing, much of the resources of

the kingdom within local churches are tied up in the outer court, outer court thinking, outer court mentality, a people who have not made a dimensional shift from church to kingdom, a people who are rich, increased with goods, and feel they have need of nothing else. Not forgetting, this is also the god of Mammon, and the spirit of this age.

Before we close, a few leaders asked us already in the New Year how do we receive honor personally? We delivered them the scriptures above and much more in honor for becoming what we are imparting to them and countless many others, and how those who are appointed in this progression are loyal to appointed leadership as one to another and obey the voice of the Lord to give as God has prospered them. We also shared that all do not follow this pattern and path and do not adhere to the sound and resonation of the Spirit to lay at the anointing, authority, and agenda of apostleship for the local, regional, and global body of saints world over.

And this is what makes it rather difficult for se and sent apostles and true spiritual fathers to minister in full function and to operate in the given grace of God if you will for lack of tangible honor sown into these apostle's lives. Doubts of provision and distractions can potentially occur and set in when there is no tangible honor of any kind sown back...no connection and communication to the one who is pouring out profusely into your progression, or who is willing to give much generous time, labor, and unending and undying love, grace, wisdom, and, revelation to you as well as appointed to you of the Lord.

So we responded to these leaders, and also brought into their discovery that many who had the means of being an apostolic blessing in so many tangible ways do not. If God has prospered the saints to covenantally connect with an apostle and father to the body, and there remains if you will a great vast void and disconnection to the divine connection, then it is apparent that either one or another has not caught {perhaps through lack of knowledge or is unaware} of the spirit of apostolic giving, or ignores the beaconing heed and call of the Holy Spirit to release what is in the hands of those appointed to the apostolic campaign, career, and progression of apostles.

God wants His appointed peoples to release freely what is in their hands so that God can release what is in His. If there is a pulling of teeth and constant struggle of apostles to receive cheerfully and in covenant and mutual love the resources of the kingdom of God as laid at the apostles' feet then perhaps we are not appointed together after all to walk in this level of relationship.

If there is global and regional apostolic alignment and the release through apostolic assignments unto kingdom - apostolic advancement, then the resources of the kingdom shall arise to a new standard and expectation to continue rhythm, momentum, impetus, and divine drive for apostles to saturate the regions as the assemblies in those regions and abroad come into HIS apostolic Arising, His destined Purposed and plan for the saints to migrate into new spheres and frequencies of His Spirit unto a corporate and bold new destiny...

If people are permitted to be void of understanding of these, such can potentially bring hindrance not only to you as a set and sent apostle in pouring out generously your life to them and countless others, but in people not catching and receiving the apostolic blessing of this mutual endeavor. For there is no revelation and operation of covenant connection or no practice and demonstration of this kingdom principle.

We also concluded that many would cheerfully say yes and amen to all that is stated above, even many who have witnessed the seal or proof of apostleship into their lives and ministries, yet some disdain reciprocal and consistent financial giving unto apostles and show no honor or gratuity unto apostolic fathers at all in any resemblance of labor of love. A true apostle will not minister for reward or goods. He or she will carry a passion to serve in the least or greatest of spheres, instances and circumstances. He and she will have become burdened for the church to set in order the things that are lacking, establishing the divine relationship strategy, foundation, government, spiritual order, alignment, structure, and all present truth dimensions to be established in the lives of the apostolic community. With or without the tangible honor of sons to apostolic fathers, the apostleship must go forward in full throttle and apostolic thrust...

We concluded here that apostolic fathers cannot give everyone and everything equal time, and if people are not catching the wave per se in their given purpose within the apostolic dimension unto appointed apostolic leaders, then apostolic and ministry fathers can potentially become overstayed too long with those of that sort of thinking who only want blessings without responsibility yet lacking accountability structures and systemized reciprocal giving. For some things are better caught than taught!

My darling wife and me spent some time together on this by saying between ourselves, if we are going to advance the kingdom effectually and fervently God will have to raise up new sons from afar according to Isaiah 60: 4, 10, and 14 to help us to build and establish, pioneer and to advance the kingdom operationally and in covenant reciprocal relationship. That there will have to be a whole new floodgate of grace and glory to manifest in our midst as we continue in faith, trust, and rest. That no appointed spiritual - ministry apostolic fathers cannot expend most of their time and energy where there is no honor, especially lack of financial honor, and a considerable lack or unwillingness of receiving the vision and revelation and work of the father appointed to them. One should be miles away into bold new discoveries and apostolic adventures beyond but due to many who do not desire and cheerfully embrace the apostolic Spirit across the earth, and the global transformation of regions, many apostolic fathers have to discover a more excellent way...

Lift up your eyes round about and see: all they gather themselves together, they come to you: your sons shall come from afar, and your daughters shall be nursed by your side. And the sons of strangers shall build up your walls and their kings shall minister unto you: for in my wrath I smote you, but in my favor have I had mercy on you. The sons also of them that afflicted you shall come bending unto you: and all they that despised you shall bow themselves down at the soles of your feet: and they shall call you, The City of the Lord, The Zion of the Holy One of Israel. Isaiah 60:4, 10, 14

The sowing of the seed is so crucial, and ties together heaven and earth, the heavens that releases the apostolic Spirit, and the earth who advances and excels

in rapid momentum and force through the agency and operation of the Spirit of apostleship. Giving is tied into living, and living is tied into giving. Because of the mandate to develop strong covenant relations and true foundational spiritual order, to reach and to pioneer new spiritual structures perceived through the accurate patterns of the heavens and the glory of His kingdom, true apostolic fathers must be invested where the Lord Himself will get the return on His deposit, His return, his harvest, His labor and increase. Isaiah 9:7

Apostolic provision helps to undergird and to facilitate apostolic vision. May more saints abroad catch this, and may more kingdom finances come into alignment with true apostolic Spirit and sphere across the earth. We speak the release of full apostolic provision into the earth, and abundant harvest and multiple increase back unto the sowers as they becoming reapers and dispensers of apostolic blessings in Jesus' name. Amen!

It is not chiefly important that the apostolic fathers receive the gratuity and tangible honor of their life, message, and ministry just within itself, but to get you {the appointed peoples of the apostolic dimension} to go into another level of expectation and discovery in giving on a much higher level. It is extremely important to position the kingdom resources in your hands to seed into the appointed apostleship of your life and for those resources to minister unto Christ as Christ ministers them to the Father, and WOW, what magnetic {intergalactic - smile} and electrifying {and Apocalyptic} apostolic grace, glory, and release be multiplied unto you exceedingly.

I'll say it again in this wise, whether one gives to true spiritual apostolic fathers or not, it does not change the destiny, vision, and purpose of the sent and set fathers to the regions. If people fail to embrace and celebrate their appointed others in appointed giving, or renege upon the fatherly relationship as a distant and dissident son, then the issue one has here is really between God. As in 1 Samuel 8, the Lord spoke to Samuel to say that the people did not reject Samuel, but that they rejected God. Theresa and me delight in appointed relationships which flourish after HIS design, and giving is cheerful, relational, and reciprocal, True

sons will honor their father's vision, and the vision of the father becomes the vision of the son. And the honor of the father becomes the honor of the son...

Apostolic Blessings and Be increased through His kingdom release in Jesus' name.

Dr. Tim and Theresa Early,

FAP International -Ephesians 2:20-22

{4} Principles of WEALTH AND PROSPERITY

Wealth

Dr. Tim and Theresa Early

The Father God is the source of our resource...

Both riches {wealth, - from another Hebrew word which means "to accumulate, to grow, make rich} and honor {weight, splendor, glory} come of {or from} thee, and thou reignest {to rule, have dominion, governor, have power} over all; and in thine hand is power {to be firm, vigor, capacity, means, produce, force, might, strength, wealth} and might {force, valor, victory, mastery, strength - from another Hebrew word which means "powerful, warrior, champion, chief, excel, tyrant, giant, strong man, valiant man"}; and in thine hand it is to make great {advance, bring up, exceed, increase, magnify, nourish up, promote}, and to give strength {to fasten upon, cure, help, repair, fortify...} unto all. 1 Chronicles 29:12

This is it beloved! The time is now to declare apostolically and prophetically and to demonstrate present day truth that God the Father is pouring into the corporate body of Christ supernatural wealth and prosperity to advance the kingdom of God, to meet the needs of the saints, and to purposefully enjoy unto the praises of His glory!

With this in mind, you can dismiss this truth and say that all wealth leads to covetousness, or accept the truth and say it can power-fuel the very purpose of God for administering his resources in the earth. For the two main tangible and powerful mechanisms in advancing the kingdom are (1) kingdom people and (2) kingdom finances. And to support just how important the proper allocation and stewardship of money is, it would be good to turn now to Ecclesiastes 10:19 and read...

A feast is made for laughter {to have a good time}, and wine makes merry: but money {honey} answers {to eye, to heed, pay attention, respond, to begin to speak, testify, announce, give account, bear witness} all things.

Tonight we shall impart prophetically into your hearing the word of the Lord concerning Wealth and Prosperity. We declare that God is pouring into the church wealth resource and tangible prosperity not only in heralding the gospel of the Lord Jesus Christ, but into the very life of his people to enjoy the good of the land. True, prosperity is not only in the temporal and physical dimension, but also, spiritual, and there are contingent blessings of prosperity for his people. However, let's focus on the truth which is, that God is not against you having to enjoy the provisions of his wealth and prosperity in His season and in HIS way, but simply admonishes us to guard our heart against

covetousness {greed}, and our dependency and trust in tangible riches and resources.

Let God Be True...

For centuries, the popular belief held among many believers were...

"If you really love the Lord and want to serve him in all humility, you have to live in a vow of poverty!" If you love the Lord, you can't afford to be rich {or enriched} as this will bring a snare to your soul!" If you want to make it to heaven, you have to give up all of your goods to prove worthy and fit for eternity!" If you are rich, materially prosperous and wealthy, give it all away as this will become a stumbling-block to many, even your own self!" And, If you are ever found praying and thanking God for the super-abundant provisions of the Lord for his people in any form, shape, or fashion, then forget it, because Jesus is coming soon, and we won't have the time to be enjoying it anyway! In fact, we should be thinking on souls and not the sales in the store, or the soles of our feet {new shoes}...! Just Jesus, and nothing else!"

Need I remind you that the spirit of poverty is accentuated through such commonly held beliefs as these, with a hidden agenda to diminish the capacities of the saints in advancing the kingdom? For as long as the church remains in fear of sin through the accumulation of purposeful material wealth, then the supernatural dimension of wealth and prosperity will be potentially hindered in many from its rightful use and appropriation in the corporate body of Christ and in the destiny of nations.

Nevertheless, God has a word for our wealth and prosperity, and it's time that we heard the conclusion of the whole matter before dismissing the whole thing altogether. We need to be open to the voice of the Lord in his appointed leaders and not become skeptic for the few that have veered off the right path. For this message and ministry of God's supernatural provision is one accompanied with signs, wonders, miracles, and mighty deeds. It shall astound and convince many that God is our source, in both the tangible and intangible blessings.

{Guarding against Covetousness and Trust in Wealth & Riches}

Below are some scriptural references to encourage our heart to have the motive and mind of the kingdom, which is love. In 1 Corinthians 13, love is a person, and God so loved that he gave according to John 3:16. Love, the motive and heartbeat of the kingdom, endures long, is kind, envies not, not arrogant or boisterous, nor is it a braggart. Love personified {Christ Jesus} and the motive of the kingdom does not behave itself in an indecent manner, does not seek its own, not easily provoked, thinks or ponders no evil, nor does it rejoice in sin or iniquity. With this in mind, love rejoices in the truth, bear all things, believe all things, hope all things, and endure all things. It is a life manifesting consistently God's unending and abounding love.

Unlike lust, which is compulsory, love gives!

Now, let's look at the negative uses of wealth, riches, and prosperity first. Afterwards, we will further establish the laws and principles of prosperity even God's will to enjoy abundant life here on earth. John 10:10; 3 John 2-4; Deuteronomy 8:18

They spend there days in wealth, and in a moment go down to the grave. Therefore they say unto God, Depart from us; we desire not the knowledge of your ways. What is the Almighty, that we should serve him? And what profit should we have if we pray unto him?
Job 21:13-15

The rich man's wealth is his strong city, and as a high wall in his own conceit.
Proverbs 18:11

The rich man is wise in his own conceit...Proverbs 28:11

Thus says the Lord...let not the rich man glory in his riches. Jeremiah 9:23

They shall cast their silver in the streets, and their gold shall be removed. Their silver and their gold shall not be able to deliver them in the day of the wrath of the Lord; they shall not satisfy their souls, neither fill their bowels: because it is the stumbling block of their iniquity. Ezekiel 7:19

By thy great wisdom and by thy traffic have thou increased thy riches, and your heart is lifted up because of thy riches. Ezekiel 28:5

It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God. Matthew 19:24

Then Jesus beholding him loved him, and said unto him, One thing you lack: go your way, sell whatever you have, and give to the poor, and you shall have treasure in heaven: and come, take up the cross, and follow me. And he was sad at that saying, and went away grieved: for he had great possessions. And Jesus looked round about, and said unto his disciples, How hardly shall they that have riches enter into the kingdom of God.

Mark 10:21-23

Woe unto you that are rich! For you have received your consolation. Woe unto you that are full! For you shall hunger. Luke 6:24-25

And he {Jesus} said unto them, Take heed, and beware of covetousness: for a man's life consists not in the abundance of things, which he possesses. Luke 12:15-16 {17-21}

No man can serve two masters: for either he will hate the one, and love the other, or else he will hold to the one, and despise the other. You cannot serve God and Mammon. And the Pharisees also, who were covetous heard all these things...Luke 16:13-14

Charge them that are rich in this world, that they be not high-minded, nor trust in uncertain riches, but the living God, who gives richly all things to enjoy. 1 Tim. 6:17

Labor not to be rich: cease from your own wisdom. Will you set your eyes upon that which is nothing? For riches certainly make themselves wings; they fly away as an eagle toward heaven. Proverbs 23:4-5

Therefore, my heart shall sound for Moab like pipes, and my heart shall sound like pipes for the men of Kirheres: because the riches that he has gotten are perished. Jer. 48:36

And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke out the word, and it becomes unfruitful. Mark 4:19

For he is proud...supposing that gain is godliness: from such withdraw yourself. But godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out...But they that be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced

themselves through with many sorrows.

1 Timothy 6:4, 5, 6, 7, 9, 10, {Also James 2:6-7; 5:1-5; 1 John 3;17}

Laws and Principles of Prosperity

The laws and elements of prosperity are built into creation itself. Many ungodly men and women have tapped into kingdom principles and have amassed millions of dollars for their personal success. Relationship experts, motivational speakers, peak performance lecturers, entrepreneurs, and many others have practiced some of the principles, which characterize or reveal in part or parcel these divine laws. From coaches of major league sports teams, to home managers from the most remote places of the Midwest, these laws and principles have been practiced for centuries and are not to be anything entirely new to the saints. And, kingdom principles are not exclusive to being a Christian either.

According to Genesis 8:22, there is the first mention of the law of Seed, Time and Harvest. This major kingdom principle is found in the development of every living thing in earth, sky, and sea. The law of seed, time, and harvest is a perpetual one, and is noted among farmers, who, in the understanding of many present truth ministers, have one of the closest earthly professions {and functionalities} to God. Mark 4:26-29; Matthew 13:19-23, 24-30, 31-32; John 12:24. For their very own job specifically entails sowing and reaping...

And our very lives can be inventoried by a process of development through seed, time, and harvest. If we sow attitudes of fear and frustration, we reap it. If we sow hate, bitterness, and discord, we reap it. If we sow doubt, confusion, and worry, we reap it. If we sow gossip and backbiting, we will surely reap it! That's seed, time, and harvest, good or bad, positive or seemingly negative. {Galatians 6:7-8}

On the other hand, if we sow the fruit of the Spirit, we will reap it. If we sow intercession of others, we will reap intercession. If we sow faith, we will reap it. If we sow hospitality, generosity, and kindness we reap it. If we sow mercy we will reap it.

Whatever we sow, we simply reap! {Acts 4:34-37; 5:1-11}

Five Important Laws with Governing Principles Each For HIS Prosperity for your LIFE

It is the will of God to prosper His people. It is His will to see us joyful, happy, blessed, healthy, and having all of our needs met according to HIS RICHES and HIS GLORY! {Philippians 4:11-13, 17-19}. We are not measuring ourselves by ourselves in accordance to what we think one another should be by the conventional and world wisdom. Not so, we are simply stating that God's plan of prosperity and wealth has specific purposes, and specific seasons of increase and abundance. Prophetically, one must know their season, discern the times, and to move ahead accordingly to what the Lord has tailor-made in expression for their life. All are not going to be multi-millionaires, but it should not stop us from operating kingdom principles and spiritual laws anyway.

Beloved, I wish above all things thou you may prosper and be in health, even as your soul prospers {the whole man}. For I rejoiced greatly, when the brethren came and testified of the truth that is in you, even as you walk in the truth. I have no greater joy than to hear that my children walk in the truth. 3 John 2-4

The words prosper here means "to help on the road, pass, succeed in reaching, figuratively, to succeed in business affairs, and to have a prosperous journey."

It is not a bad word at all. It only appears sinful when men abuse the principles of the word, or turn away from God altogether. And, when there is trust in one's own riches and wealth, or the accumulation of riches through covetousness or greed, in this you will find a more negative connotation of the word "prosperity."

Nevertheless, prosperity is not inherently evil, nor is having money. It is what you do with what you have, as God is the true owner, and we are the stewards. Stewardship is the key principle here in how prosperity is received and dispensed. If we misapply God's laws in HIS prosperity, we could easily abuse or misuse the resources and provisions given, and become ineffective in advancing the kingdom.

Now, let's define the word prosper, prosperous, and prosperity from the overview of scripture, as we reference in part some of these scriptural definitions...

The Lord, before whom I walk, will send his angel with you, and prosper {to push forward, break out, go over, be profitable} your way {or, make things work out}...Genesis 24:40

...that you may prosper {to be circumspect, to be intelligent, consider, expert, instruct, give skill, have good success, make understand} wherever you go...Joshua 1:7

...God made him to prosper. {to push forward} 2 Chronicles 26:5

...The God of heaven, he will prosper us...{push forward} Nehemiah 2:20

...it shall prosper {push forward} in the thing whereto he sends it. Isaiah 55:11

...they shall prosper {to be tranquil, secure or successful, be happy, be in safety} that love you...Psalms 122:6

...and the hand of the children of Israel prospered {to walk}...Judges 4:24

If they obey and serve him, they shall spend their days in prosperity {good, a good thing, well, better, cheerful, bountiful}, and their years in pleasures. Job 36:11

...Let the Lord be magnified, which has pleasure in the prosperity {Hebrew - Shalom - safe, well, happy, health, welfare, peace} of his servants. Psalms 35:27

...Lord, I beseech you, send now prosperity {break out, push forward, go over, akin to another word to advance} Psalms 118:25

Peace be within your walls, and prosperity {security, abundance, quietness} within your palaces. Psalms 122:7

I, even I, have spoken; yea, I have called him: I have brought him, and he shall make his way prosperous {break out, go over}. Isaiah 48:15

*...and in his own house, he prosperously effected {break out, go over, push forward}.
2 Chronicles 7:11*

In essence we see that GOD's nature is prosperity, and is not limited to money. Money is a means, but God is the source and resource, therefore, Prosperity is first spirit, then soul, then body. God promises in His word to make our way prosperous and to have good success or to do wisely, as we apply and appropriate the provisions of HIS word.

The Lord makes poor, and makes rich: he brings low, and lifts up. He raises up the poor out of the dust, and lifts up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: 1 Samuel 2:7-8

Here, the Lord promotes as in Psalms 75:6-7. He puts one down, and sets up another. He is gracious to whom gracious, and merciful to whom merciful. He is God and changes not in character. He's not governed by time and cannot be confined or conformed to external affairs. He is God all by Himself...

1 - Prosperity is the will of God, in spirit, soul, and body. To teach that God wants us whole in our spirit and soul, and not in our tangible substance is not the body of Christ. The more saints get a hold of this, the further we can {A} advance the gospel of the kingdom abroad and {B} meet specific needs as apostolic ambassadors and humanitarians in the earth. For this is an important two-fold use of the prosperity of his servants.

2 - Prayer through faith with appointed action based on God's word and will for your LIFE helps to operate the laws or principles of HIS prosperity

Hebrews 11:6 says, "For without faith it is impossible to please him, for he which comes to God must believe, and that he is a "rewarder" of them which diligently seek him."

Faith is simply firm persuasion, conviction based upon hearing. It is the assurance and confidence in God, the title deed, and the proof of what you don't see. Faith perceives as real what is not revealed to the senses. It is constantly before the Lord, in the presence of Jesus Christ who is the author and finisher of our faith. Hebrews 11:1, 3, 6; 12:2-3

According to Romans 1:16, the *just shall live by faith...*

In Mark 11:24, Jesus says, "Whatever things you desire, when you pray, believe that you receive them, and you shall have them." If God says it in his word, and you believe that it is for you based on the tailor-made will of God for your life, then Amen {So be it}. You have the promise of the word, which is God himself! {Yeah and Amen}

3 - Putting God First and Foremost in your LIFE

***But seek you first {and foremost} the kingdom of God, and his righteousness, and all of these things will be added unto you.
Matthew 6:33***

4 - The divine law of honoring the Lord with our substance

Honor the Lord with your substance, and with the first fruits of all your increase: So shall your barns be filled with plenty, and your presses shall burst out with new wine. Proverbs 3:9-10

5 – The saints must recognize the Principle of Seed for Sowing and Bread for Eating:

Of the top ten means of becoming wealthy and prosperous in life is the principle of sowing seed...Besides investments, real estate, internet businesses, etc., sowing generously is a key method with purposeful cheerful giving. It is not always a matter of being led to give, but in having a heart to give. Life and gratitude is an attitude, and our attitude can determine our altitude.

Beloved, giving is living, and living is giving!

Theresa and me live to give, and love to give!

***In the morning sow your seed, and in the evening, withhold not your hand...
Ecclesiastes 11:6***

In Genesis 26 Isaac sowed in famine and reaped 100-fold that same year!

In Luke 6:38 Jesus said, "Give, and it shall be given to you; good measure, pressed down, shaken together, and running over, shall men give into your bosom."

The way you give is of your time, talents, and treasures. Even giving yourself to God as a reasonable sacrifice reveals in part your willingness to give of your substance. Why? For Giving is Living and Living is Giving!

Galatians 6:7-8 speaks of the law of sowing and reaping.

2 Corinthians 9:6 says, "If we give sparingly, we will reap sparingly, and if we sow bountifully, we will reap bountifully."

If saints refuse to become givers IN God then this shows a lack of generosity towards God, and also suggest to the world that we serve a God who is least generous himself.

In truth, God is not moved merely by your needs alone but by your seed!

God's Kingdom Economy and Wealth Factor...

And other money have we brought down in our hands to buy food: we cannot tell who put our money in our sacks. Genesis 43:22 {Bank account, credit account, etc.}

God wants us supernaturally blessed and increased in all good things. {James 1:17}

You shall eat before the Lord your God, and you shall rejoice in all that you put your hand unto, you, and your households, wherein the Lord your God has blessed you. Deuteronomy 12:7

Wisdom and knowledge is granted unto you; and I will give you riches, and wealth, and honor, such as none of the kings have had...1st Chronicles 1:12

He filled their houses with good things. Job 22:18

The Lord wants to fill your house up with good things; furniture, beds, fabric, mirrors, food, clothing, shoes, and much more. This is a covenant provision. {Spiritual house, too! John 14:2}

They that seek the Lord shall not lack any good thing. Psalms 34:10

Blessed be the Lord, who daily loads us with benefits...Psalms 68:19

He left not himself without witness, in that he did well and gave us rain from heaven, and fruitful seasons, filling our hearts with food and gladness. Acts 14:17

Power to Get Wealth

All the commandments which I command you this day shall you observe {be careful} to do, that you may live, and multiply, and go in and possess the land which the Lord promised to your fathers. And you shall remember all the way which the Lord your God led you these forty years in the wilderness, to humble you, and to test you, to learn what was in your heart, whether you would keep his

commandments or not. And he humbled you and suffered you to hunger, and fed you with manna, which you knew not; that he might make you know that man does not live by bread only, but by every word that proceeds out of the mouth of God does man live. Your raiment waxed not old upon you, nor did your foot swell, these forty years. You shall also consider {remember} in your heart, that, as a man chasten his son, so the Lord your God chastens you.

Therefore, you shall keep the commandments of the Lord your God, to walk in his ways, and to fear him. For the Lord your God brings you into a good land, a land of brooks of water, of fountains and depths that spring out of valleys and hills: A land of wheat, and barley, and vines, and fig trees, and pomegranates; a land of oil olive, and honey. A land wherein you shall eat bread without scarceness, you shall not lack any thing in it; a land whose stones are iron, and out of whose hills you may dig brass. When you have eaten and are full, then you shall bless the Lord your God for the good land, which he has given you. Deuteronomy 8:1-10

And you say in your heart, My power and the might of my hand has gotten me this wealth. But you shall remember the Lord your God, for it is he that gives you power to get wealth, that he may establish {bring to pass} his covenant which he swore unto your fathers, as it is this day. Deuteronomy 8:17-18

Now, the principal understanding of Deuteronomy 8 reveals that supernatural wealth and prosperity comes from God, and not merely by our own means and external efforts such as working overtime, or working two and three different jobs. This wealth is from the divine enablement and supernatural ability of the Spirit of God and is purposed to bring testimony and praise to the Lord throughout the earth.

Wisdom and knowledge is granted unto you; and I will give you riches, and wealth...2 Chronicles 1:12

The word "wealth" in Deuteronomy 8, and in a number of other scriptures, is from the Hebrew word "Chayil {khay-yil} and is defined as "force {whether of men, resources, or army - wealth, virtue, valor, strength, able, activity, band of men or soldiers, great company, goods, host, power, might, riches, virtuous."

Even the virtuous woman of Proverbs 31:10 holds the exact same Hebrew definition...

In the language of the Spirit, God is converting over to his people some serious resources, as in the word found in Exodus 36:7...

So the people were restrained from bringing. For the stuff {deputyship, employment, work, business, occupation, industry, property, etc.} they had was sufficient for all the work to make it, and too much.

Now that's a really interesting pattern of giving! To be restrained from Giving versus constraining others to give? O Lord, Help us!

Proverbs 13:22 says...A good man leaves an inheritance for his children's children: and the wealth of the sinner is laid up for the just.

There is a conversion process going on in the Spirit, and it's time that the church get a hold of this truth and watch the manifestation of hidden treasures come to light...If our eschatology is dismal with a chaotic conclusion, we will not arrest, access, and assess the nations for global destiny. Instead, our fear of the endtimes as some would put it, will shape our thinking process towards kingdom economy, and our focus will be aimed for a quick flight out of this madness instead of the Meek inheriting the earth...

And I will give you the treasures {depository, cellar, armory, storehouse} of darkness {stuff where you never thought it would come from, or appear}, and the hidden riches {secret storehouse, a secreted valuable, money, hid treasure} of secret places {The coin in the fish's mouth, pocket books, wallets, bank accounts, policies, inheritances, investments, commodities, and most of all, things you could never fathom or imagine}, that you may know that I, the Lord, which call you by your name, am the God of Israel. Isaiah 45:3

Psalms 66:10-13

For you, O God, have proved us: you have tried us, as silver is tried. You brought us into the net; you laid affliction upon our loins. You have caused men to ride over our heads; we went through fire and through water: but you brought us out into a wealthy place. I will go into your house with burnt offerings: I will pay you my vows. Wealth here is defined as Satisfaction, abundance, and that which runs over and over."

Luke 6:38...Pressed down, shaking together, and running over...

The Lord is turning our captivity away, and making us into people that trust him for everything. Matthew 6:33

Let us stop for this first segment and pray and rejoice together in the Lord of Provision and for the Provision of the Lord...

Father, In Jesus' name, I thank you for the supernatural abundance, wealth, and prosperity of your people, and the universal joy that shall resound throughout all of the earth just how generous, great and mighty you are. I thank you for the manifestation of the Spirit through kingdom wealth, finance, and reformed kingdom economics, and the converting of the wealth of this world over into the saints of the Lord most high. To advance the kingdom of God, and to meet the specific and strategic needs of your people in Jesus name. I decree by the Spirit of the Lord, that wealth and prosperity shall spring forth in marvelous ways and means, confounding {and breaking into pieces} even the very enemy and adversary thereof. In fact, I thank you that the enemy will have to surrender our goods, and bring them to our feet, for you said every knee shall bow, and every tongue shall confess that Jesus is Christ is Lord to the glory of God. Therefore I thank and praise your name for the fulfillment of your word in the lives of your people, and a new praise in the earth that will cause the glory of God to drop down like the rain as never before, to water the earth and your precious people as it is becoming a TIDE of apostolic and prophetic events to transcend many generations, a memorial unto the Lord in Jesus name. To you be the glory and honor, dominion and power, in Jesus' matchless name! Amen and so be it!

Segment 2

**Recently taught in the Houston 5-fold conference, April
2000: 2 Chronicles 20:20; Acts 4:35-37**

An Apostolic and Prophetic exhortation of the transference of colossal, magnificent, and unprecedented wealth... from the bank account of the new millennium into the bank account of the victorious, glorious, and overcoming church!

In Isaiah 60 the Spirit quickens our hearts indeed of the universal {Uni - one, Verse – a sequence of words} truth that one of God's

ultimate intentions through the socio-economic realm is for the saints to possess unprecedented wealth in the advancement the kingdom, and to enjoy it faithfully in the Lord as we honor Him with our substance.

There is a divine shifting with new patterns developing in the church for a new kind of faith and a new kind of harvest. Prophetically, there is perceived and is now being proclaimed that the supernatural wealth factor is being Pioneered through a new-breed of A-1 saints, a people of kingdom authority that has the mind of the Spirit to discern where these measures and treasures of prophetic prosperity is coming from, even to the speaking forth of these glorious dimensions for the full manifestation of wealth and kingdom finance unto kingdom advancement.

Though the prophetic may cause you to cross over Jordan to inherit the apostolic blessings, it is the apostolic dimension, which establishes and disburses this new interacting paradigm and dimensional shifting of unprecedented kingdom wealth with the administration of present truth apostles. Together with the prophets, the apostles are trailblazing a new dynamic in the corporate anointing to oversee this new wealth factor, which is being released through the Spirit of God for such a time as this. This new dimension of financial wealth shall usher in the glory of the Lord throughout the ends of the earth, and shall cause the nations to realize the true source of salvation, wealth, health, prosperity, and well being, which is the Lord God Himself.

From Interfering to Transferring

By reviewing Webster's New World Dictionary I have discovered importantly that in order to proclaim the abundant harvest and inheritance of the corporate saints, one must consider the position we have in the Spirit, and the antagonizing force of that spiritual position.

Now, the negative idea of interfering is where many saints are grossly preoccupied. For them, interference is the daily onslaught of countless many who would rather conclude that God's promises are Nay instead of Yeah! For them, the continuous struggle for deliverance, breakthrough, and blessing has become such a familiar thing, that daring to believe beyond the confines of frustrating struggles may seem a bit too far-fetched.

With whispering hopes that heaven is the only real solution out of their hectic problems, many saints resort to rapture-mania and

visions of Beulah Land {or Fantasy Island} as a means of escape from the subtle and overt attacks against their wealth preservation, or in truth, their position of the Spirit, the pre-ordained and pre-fixed revelation of God for their lives.

Nevertheless, in all hopes of each saint finding rest in the Lord in all things, I begin to ponder a bit just how colossal and awesome God is in dealing with us.

From Interfering to Transferring, continued...

Alluding to our earlier mentioned sub-topic, let's define the principles of both the Words "Interfering [interference] and transferring [transference]."

Interference has to do with the idea of coming into collision or opposition with. It has also to do with coming in or between for some purpose, and to intervene. If you are referring to Radio and Television, Sports {particularly Football}, Physics, and Patent Law, the term "Interference" carries differing aspects and shades of meaning as well.

Interference is not to be viewed from a negative disposition only, as if Satan is gaining ground on what God has for you. But interfering can be a sovereign intervention of the Lord Most High. Here, interfering can actually be God's way of baffling the minds of men through the unfathomable riches and resources of his glory. It can simply mean that the Lord of Hosts is transcending and superseding finite and limited mentalities, bringing into manifestation, tangibility, and substance the creative and proceeding {NOW} Word of the Lord in the midst of those whom he chooses.

So shall my word be that goes forth {proceeding word – Matthew 4:4; Romans 10:17; Ephesians 6:18 – rhema, uttered, and quickening word} out of my mouth. It shall not return unto me void, but will accomplish what I please; and shall prosper in the thing that I send it. Isaiah 55:11

Yes beloved, in the purest sense, it is the Lord who is turning over the tables of men, to divinely accomplish his desired, intended, and decreed purpose from the beginning...

With God the Father, his counsel shall stand and he will do all of his pleasure! {Isa. 46:10}

Now, the word "Transference" is indeed a rather interesting word. However, to cover the basic definition and meaning of the word "Transference," let us look also at the word "Transfer." Here, the word "Transfer is defined primarily as "To carry, convey, remove, or send from one person, place, or position to another."

But the question revolving around your mind may be "What is this great transferring all about? What does it entail, and for what purpose? Are we being divinely set up by God to receive an abundance of corporate release, unprecedented global wealth increase of the most colossal kind?

From the corporate standpoint, yes! God is actively increasing within his church unstoppable massive momentum of new millennium wealth for a new destiny. This transferring of wealth from heaven and earth is more than just getting our needs met. It is bringing about a bold new witness to creation that God is truly a very good God, is faithful to all generations, is generous and gratuitous in nature.

Mentalities Transformed to God's Kingdom Wealth

The new wealth factor is spreading over the nations like a blanket from heaven. It will cover the earth in awesome wonder, as the world system will bow its knee to the Most High God of the Most Holy Place. Angelic demonstration of the wealth harvest will become more evident in the affairs of the saints, as multitudes of saints will testify of the supernatural dimension of wealth and kingdom resources in their bank accounts, and any other receptacle of expenditure or savings.

More and more, saints abroad will discover their credit reports with a new twist. The Year of Jubilee, The Feast of Tabernacles, The Lord's Release, and the Acceptable Year of the Lord shall become a present truth reality to countless many on a very tangible level. The prison doors of old order mentalities will become unlocked to new realities of the Spirit. Billions and Trillions of dollars shall arise out of the sea of uncertainty, and shall swim ashore to the land of doubly fruitful. For as it stands, there is enough wealth in the entire world that could end poverty for all people right now. Yes, there is enough wealth resources for every person on this planet to enjoy the good of the land, to have their home paid off, vehicle, too, and to adapt a business plan to continuing the perpetual wealth factor in kingdom designed to the betterment of their serve one to another as unto the Lord.

Deuteronomy 8, 28,

Now understand, that money is but one part of the economy of God, the means to transfer, allot, and engage in legal venues of financial expression. However, when referring to wealth and money, one can't help but associate the two. Therefore, let us look at the distinctive meanings of both money and wealth. Money is defined from the Webster's New World Dictionary as "Standard pieces of gold, silver, copper, nickel, etc., stamped by government authority and used as a medium of exchange and measure of value. Any paper note issued by a government or and authorized bank and used in the same way." Any substance or article can be used as money or exchange, including property {houses, land, automobiles, jewelry, etc.}, possessions, accounts, timeshare, stocks, bank notes, precious metals, natural resources and checks. But again, money is but one part of the matter as kingdom wealth is the mentality or mindset that moves the money about.

Wealth

Wealth does not merely begin or end with money, but wealth is a state of being and a way of LIFE. Money is important to circulate, but God is getting us into a new mentality that will shift money, and all other needed exchanges, into a new sphere and dimension of grace and glory with God. For the highest kind of wealth is GOD himself, he is source to our resource.

Wealth is an idea. In the Middle English definition of wealth, it carries too, the meaning of happiness. Wealth began as God's idea from Genesis 1:28. Man was given dominion over the earth, and all of its wealth resources. Wealth was God's idea from the start, as man was given a five-fold charge to be fruitful, multiply, replenish, subdue, and have dominion. Genesis One bears record of the first Great Commission of man. We like to call this the Dominion Mandate, for everything about God's dealings with man begins with Dominion, the King's Domain! It is the first Great Commission. Everything God is doing through the church today points back to the original plan, design, intent, and purpose of God for man to have kingdom dominion in the earth. Everything!

Therefore, one must define wealth from the standpoint that God is in control, and that the earth is the Lord's and the fullness thereof, the world and they that dwell therein...

Wealth which reforms the church to reform and transform the nations

The church needs to be brought into a new upward spiral and frequency of the Spirit to receive and administrate the abundance of grace God has for it through wealth resource.

As an apostle, along with many others across the globe in apostolic diversity, there is a new perception and apprehension of the wealth transfer from the New Millennium leader-shift {21st century preparation} into the Corporate Body of Christ, released through the body to impact nations, and to change our world through dominion, the liberating influence of the King and His Kingdom.

There is coming to pass colossal wealth resource of the most glorious kind that will cause even the world to recognize the Father God as their true source. Somehow, men world over will discover their hidden genius and potential by observing the saints at large coming into diversified wealth management and reformed kingdom economics. In a matter of time, businesses all over the world will begin to think differently about God, and the corporate glory of the saints. For the real reason why the supernatural wealth shall saturate the church is as follows...

...The Spirit of the Lord is bringing a new paradigm and dimensional of financial reformation and renewal to the church to change the world. The world shall begin to see that it is the saints of the Lord most High who is the true standard of kingdom community, not the government of the land. By moving our mindsets from Christian to King Priest, or from church to kingdom, we bring a whole new influence in the earth .

...The Spirit of the Lord is causing the saints to become responsible in financial matters. No more will the saints at large decree in faith for the erasure of bad debt, which many have accrued through their own disappointing efforts. But the Lord is going to cause a new shift and pattern of events to transpire in the corporate church, and in the mindsets and mentalities of HIS people, to get the saints to see that it is not only the need to ask in faith for closure of old debts, but to become better stewards itself...New ways and means of circulating and communicating wealth resources...

...The Spirit of the Lord is causing a new sound to roar over the nations, as more businesses will develop covenant relationships with apostles and prophets. Prophets of the NOW configuration of the Kingdom are given the divine foresight and insight of where the wealth harvest is, but it is the apostles of the Spirit with the prophets, who will administrate and execute this wealth strategy through the

church to the nations. As in Acts 4 and 5, the possessions, wealth, and provisions shall continue to be laid at the apostles' feet.

...The Spirit of the Lord is raining down a deluge of His glory to dispense to the saints abroad the means to becoming good stewards in their personal life. More and more saints will get their houses in order, and shall show forth as a witness to others that believers can be trustworthy, honest, genuine, and true in their dealings one with another, even to those who profess not the Lord.

...The Spirit of the Lord is causing a massive wave of transferred wealth to infuse the church, and the church shall infuse the world system with new territorial and global authority. The news reports shall keep the world abreast of the happenings of the church, as the United Nations, the capitals of our nations, and the ruling governments of this world will look to find answers among the corporate saints. We are speaking of global transformation...

...The Spirit of the Lord shall cause the earth to tremble at the mention of the saints. Daniel 7 confirms that the saints are the ones who possess the kingdom. Through Christ we shall fully possess the kingdoms of this world, and the heathen shall become our inheritance.

...The Spirit of the Lord is causing a fire to burn in the midst of his saints, as this reveals a new kind of witness and evangelization. This new evangelization shall ignite reformation fire, which shall spread over the nations. For the Lord who answers by fire shall cause many unbelievers to know him through the stability of financial stewardship among the saints. There shall arise a new breed of evangelization from the reformation of wealth and finance. Barriers between poor and rich shall be broken down. Mammon shall bow its knee to the Lordship of Jesus Christ, as unbelievers shall witness the joy in serving God honestly with all of their heart and with all of their substance.

...The Spirit of the Lord shall cause a New River to flow throughout the nations. Wealth shall abundantly increase in Third World nations. People all over the world shall see that their purpose attracts provision, and their destiny shall be fulfilled with the aid and support of exchangeable means to accomplish their given purpose. Unprecedented giving shall increase magnificently throughout the earth. The body of Christ shall have more than enough to herald the gospel and advance the kingdom abroad. Giving shall exceed the expectations of many elders as the church comes into divine order in

giving and receiving, and in right relationships in vertical and horizontal ministries. This same pattern will affect change in our socio-economic infrastructure, bringing revolutionary and radical changes in all sectors of the nations. The oppressed shall be set free, and a new respect to God, his people, and one another shall reach into the vast heavens. Giving shall become a way of living, and living shall be an expression of our heart in giving. Stinginess shall be no more but a whisper, a past fading, an old story of the unfolding of HIS glory...

Arise and Shine!

Arise and shine, for your light has come, and the glory of the Lord has risen upon you. For behold the darkness shall cover the earth, and gross darkness the people. But the Lord shall arise upon you, and his glory shall be seen upon you.

And the Gentiles shall come to your light, and kings to the brightness of your rising. Lift up your eyes round about, and see: all gather themselves together: they come to you: your sons shall come from afar, and your daughters shall be nursed at your side.

Then you shall see, and flow together, and your heart shall fear and be enlarged: because the abundance of the sea shall be converted unto you. The wealth of the nations shall come to you. Therefore your gates shall be open continually. They shall not be shut day or night, that men may bring unto you the wealth of the nations...

Isaiah 60:1-5, 11

Apostolic Blessings, feed the seed and nurture the nature for by divine enlightenment you are becoming what you already are...
