

SOW WHERE YOU WANT TO GO, FLOW, AND GROW

Hello Beloved Precious ones and Apostolic Blessings! We want to see you in 2008!!!

It's a New Year, the **FORECLOSURE** of 2007 and becoming **FORERUNNERS** of 2008

Tim and Theresa Early are rejoicing with you and yours in the demonstration of your destiny, and the potency of your purpose and potential...

Because we care so much for you, we would like to bring to mind **3 important considerations** for you as valued in covenant of the Lord...or in walking closer together unto the praises of HIS glory!!!

1- SYNERGY - We desire strongly to walk closely together, and with the fulfilling and rewarding purpose for which the Lord has *divinely appointed us together*...one-on-one as God has purposely designed.

Bear in mind, this is for those who acknowledge a **deeper relationship**, and only in a **divine relationship** can true commitment effectively take shape. If this appears outside of your orientation, we respect your sincere wishes and will not infringe upon your disposition and rights to be otherwise acknowledge. Some saints just want teaching, others want training, or a personal prayer partner. Some want academics, others accountability beyond the scholastics. Some prefer ministerial activities, others desire

activation. Our sincerest regards and blessings to all, thank you very much for your time...

2 - \$EEDING - For those who we are appointed to together to serve together in a more **mutual covenantal synergy** and divine design, and alignment to HIS assignment, we rejoice with confidence in our apostolic mandate that the Lord would raise up true sons and true seed to be a tremendous support each month to the work of the ministry. One does not necessarily have to be an **appointed son to our sphere to sow seed**, or to be in an **appointed covenant relationship**, although it makes a **power-fuel impact** when there is seed for sowing, and, well, you know the rest of the story {smile..}.

Appointed \$eed will help us to do more than to just write, but also to travel {much needed}, and to publish, and to bring ambassadorial and humanitarian focuses into play, and to help reshape whole regions into kingdom government and alignment through **"RIGHT REVELATION, RIGHT RELOCATION, & RIGHT RELATIONSHIP."**

Your \$eed is important to us, and you are welcome to sow as the Lord has prospered you and yours. We give time in the energy of synergy to pray and to rejoice over your LIFE, your progression, and your relevantly important purpose. **We also invest quality time to speak over your \$eed regularly, the life you live to sow, and that 100 - fold return multiplies and increase in your life manifold.** We call you by name, and acknowledge you and your seed unto the God of heaven, as the Lord is faithful to perform HIS word over all that you are and do in Jesus' name...

3 - SATURATION - The saturation here is more than inviting us to minister into your assembly and region, though that is an important **core dynamic** in present truth kingdom ministry. For those who perceive and embrace the **SYNERGY**, and the sowing of the **\$EED** regularly {weekly, monthly, etc.}, this will bring to light the revelation of **SATURATION** of the word of the Kingdom into various regions of the USA and overseas. We have

held to the belief in the past that if we were to be effective in model and modules, that **America must be the prime example of how it sends apostles across the earth through generosity and gratuity.**

However, America, though great of a nation it is, has not always embraced this wonderful and joyous dimension in many present truth apostles, but it is not too late. We desire with you and yours, that **SATURATION** of regions including your vicinities, is making the main thing the main thing, first things first, and being proactive or thinking and planning ahead for TNT to be invited to your region **at least once a year** to speak into your progression, and trust me on this beloved, unto the praises of God and in all humility, you will not be disappointed. You will be fed will the Meat which is to do the Will of the Father...and HIS signs shall follow them that believe...

Within our loins we carry the Ancient of Days, or in truth HE carries us. We desire to become every vital quickening of the Spirit for your region, and ask that in **SATURATION**, we can be most effective together through **SYNERGY** in advancing the kingdom in your **sphere**, and in the increase and abundance of HIS good pleasure MADE manifest into your lives. All it takes is the **SYNERGY**, the **\$EED**, and the **SATURATION**, together in harmonious ONE-ness, working synergistic-ally for all, mutually benefiting one another in the appointment of the Lord, His **place**, His **purpose**, His **plan**, & His Good **Pleasure**...

For a wrap up, let's notice again, that...

1 - Synergy together in HIS divine

appointing...covenant, and not coven, covenant, and not convenience...appointment of the Lord...2 walking 2-gether in HIS agreement and appointment...Amos 3:3

2 - \$eed for **sowing cheerfully** into this ministry {2

Corinthians 9:7}, as the Lord gives the return on your investment, and as the *Apostolic Spirit* arises and releases blessings of Destiny upon you and yours on a regular basis, beyond the day you initially give. For remember, this seed is kingdom seed, seed

which the Lord appoints, seed which is covenantal, seed which is named, seed which on a higher level if you will, **confirms the sealing of the relationship if that is where the Lord is taking you and us together.** This is not tipping, but an apostolic blessing, the blessing of apostleship speaking right back into your progression, as in Acts 4, the gathering and distribution of wealth was administered through apostles.

3 - Saturation - Once again, the important discovery that it is a blessed thing to have us to come to your region at least once a year, and of course for others, more. True apostles and prophets are open for itinerary, and it does not matter the amount or the size of your ministry. **The size of your heart is the essence of the nature of the seed in Matthew 13, faith AS, as grain of mustard seed, not faith the SIZE..., it's in the nature,** the Nature thereof, what dimension of the kingdom it is producing, every man his own order...{more on that one, a book by itself}...**The heart of giving makes the difference than just mere giving, for neither of us can ever beat God's giving {grin}.**

If you value Tim and Theresa in the email writings, the over 1/2 million books sent to the nations free of charge, and the many years of undying and self-less giving unto the nations, consider having us to speak into your region at least once a year **{Home group, local church, business, marketplace, conference, seminar, regional summonings},** and let us come together in agreement on preparation before presentation into your given sphere. There is email community in Canada, California, New York, Illinois, Florida, Texas, Kansas, Louisiana, New England, Washington D.C., Iberian Peninsula, UK, Eastern Europe, South Africa, East and West Africa, the Caribbeans, Latin America, Asia, Oceania, all over the earth. And we speak first to the USA in proper order as we are by citizenship American people, above all, citizens of the Kingdom, the Global Destiny of the saints, the saints whom possess the Kingdom.

In conclusion, let these **3 Considerations** be placed before you, pray, intercede, and sow a seed, and let us together exceed and excel, as the Lord is faithful to propel, and HIS story we will manifest together and tell, as the message of the Kingdom

confirms {ALL IS WELL}, unto the glory of God the Father, the Almighty God, King of all kings, and Lord of all lords, in Jesus' name...

Amen and amen...

A Special Note on a deeper sphere which follows...

To the general audience and assemblies - For future reference, those whom have desired greater input and impartational and generational blessing from present truth kingdom apostolic relational ministry,

1 - For future references - Sow regularly into true kingdom leadership, whomever they may be, and wherever they may be, cheerful giving...apostolic blessings, seed, time, and harvest, sow as you go-grow-flow {my rhymes again}

2 - For future references - Invite key kingdom leadership into your region, this is one key element in how set and sent apostles of present truth live, in the flowing brook of doing and being what they are given for to whole regions, and local communities, relational assemblages for the wholesome and edifying good of the appointed regions.

Often this is the bread and butter of many apostles, as one would anticipate in the conventional working world in salary or wages. Though apostles live for and through HIM, and not merely for wages as the basis of their apostleship or an appointed relationship, it is always appreciated when apostles can come to and from regions with general and specific support in their apostolic ministry...This helps significantly in traveling apostles who feed and provide for their families full time...

3- For future references - Receive the books and tapes, CD's, manuals, and periodicals of present truth apostolic ministry, especially those whom the Lord appoints one another into, through divine relationships, alignment producing assignments. Embrace and value earnestly what they have been given for, and how strategic their input and loving grace is given for in your lives...Receive their weekly editions or email letters regularly for your edification, empowerment, enhancement, and expansion...

4 - For future references - Attend conferences or conferrals of appointed kingdom leadership in your progression and maturity. Like Elisha was willing to go with Elijah in 2 Kings 2, be ever open to make plans to attend kingdom apostolic conferences, conventions, summits, convocations, and global ambassadorial assemblages...Such relational apostles are delighted in home fellowships, too...

5 - For future references - Receive the generational blessing with divine intensity indicative of how present truth apostles pass on these kingdom core values into the sons, and into the son's sons, a good man leaving an inheritance for his children's children...

6 - For future references - Share not only the glory moments of said, sent, and set apostles, but share also in authenticity and transparency the suffering and endurance of apostles. Share their labor together, through prayer, and not alone in moments of great feats of strength or in visible manifestations of glory. For the two greatest burdens of apostles is a burden for the church, and a burden for the nations, the two becoming within them the Urim and Thummin...

7 - For future references - Share time and grace together as it is given one another in the ministries of said, sent, and set apostles in God's divine appointing of course. If there is an apostle {s} of divine appointing of an apostolic networking ministry, or a more residential apostle like James in Jerusalem, and if there is the divine chemistry and DNA of such appointed relationship, then it would be encouraged to connect to the apostolic vision of the apostolic father or progenitor, by prayer, sowing, by attendance from time to time, scheduling resources to enable one or another to attend and spend or invest time in that apostolic sphere for their growth, maturity, and the following... apostolic anointing, authority, agenda, alignment, assignment, and advancement...

Many times leaders would just stop over, from one state to the next, or from overseas, from time to time, just to come and fellowship...no services, no conferences, just to stop by to see how one another is doing, and growing in glorious grace together...that's relationship...We have had many apostles

worldwide to visit our home, and to enjoy time off together, walking together, and talking together...

8 - Lastly, For future references - Pray fervently, with boldness and conviction, with sowing tears of joy and intercession for HIS said, sent, and set apostles of the earth. Pray for their lives, love, leadership, legacy, and lineage. Apostles carry a powerful foundation, formation, and finishing of HIS house, not alone for local assemblies, but for the earth... Apostles of the spirit, present truth in calibration and dimensional shifting and change, will have more love for the body of Christ than their own ministries. Continue to pray, simply pray, without ceasing, pray with Presence, Pray with purpose and Power, Pray, and intercede as the depths of the Spirit takes you...and pray with passion in Jesus name...

9 - To all apostles by this letter, position yourselves accordingly for a new increase and a mighty re-lease into your lives in Jesus name. Preparation leads to presentation...Network with other networking ministries, as knitting comes before networking, and relationship precedes commitment...

Regional Transformation, together, in corporate anointing, and divine appointing...

Tim and Theresa Early

The Venue for the Avenue of the Revenue

by Dr. Tim and Theresa Early

It's at your Fingers... NOW in the name of the LORD!

In the 2nd Day Dimension, "**Money Cometh to me, NOW!**"

But in the 3rd Day Dimension of HIS Unlimited Glory, "**Money Goeth FROM me, NOW!**"

We become conduits and channels of expression for Kingdom Resources, Diversified Wealth, Harvest, and Breakthrough, and abundance. For the Earth is the Lord's and the Fullness thereof, the World and they that dwell therein. Psalms 24:1

We are by **being** and by divine purpose, the **Venue** for the **Avenue** of the **Revenue**. We are postured and positioned to release MONEY from Spirit, to soul, to Body. For the highest source for our resource is GOD! The Highest Kind of Wealth is the ONENESS of God and Man **{AT-ONE-MENT}**, or **I AM that I AM**. I and MY Father are ONE. Did you get that? Not **i am that I AM**, but **I AM that I AM**. In one passage of the Old Covenant, the Lord will not share his glory with another, or in new rendering, "Not share HIS glory with that which is inferior or less than HIMSELF, something or someone which thinks of himself unworthy, inferiority and martyr complex, con-damned or doomed **{Condemnation - Romans 8:1-2 or in a way of thinking...Damnation}**...of themselves .

Why, for God knows Himself within HIMSELF, He only knows God and the LIFE which springs out of HIM. He cannot share HIS core values with anyone or anything which denigrates or devalues HIS essence. He wants union, not onion...And when we are in HIS communion, we totally become ONE within HIS union, all things become by change of perception and paradigm **ONE-Der-FULL**, full of HIS wonder, the Awe in Awesome...

So don't cast your pearls before swine, and give not that which is HOLY to dogs. Truth is, we have all things that pertains to LIFE and godliness, and it is time, yea, High Time, to **say** what HE is seeing, and **see** what he is Saying. He will hasten HIS word to perform what **we see!!!**

So for a brief Confession say with me...

I AM kingdom resource
I AM wealth and prosperity
I AM abundance of HIS good pleasure
I AM a Multi-Dimensional Kingdommaire
I AM a conduit and vehicle of HIS expression
I AM Living from HIS Unlimited Glory
I AM a Humanitarian and Ambassador of HIS resources
I AM generous and gracious to giving {Living}
I AM superabounding in all things
I AM the expressed IMAGE {Imagination} of HIS Person
I AM functioning with Focus in God's Economy
I AM well off and well on...
I AM a good steward in all of HIS affairs
I AM Prospering Exceedingly
I AM THAT...Whatever HE wants me to BE

I strongly sense that there is a tremendous release from the HIGH Priest to cause you to Excel and to **Exceed** through HIS kingdom **Seed**, a rhythm and walk producing a divine sort of **Stampede**, a dimension of the Spirit that man cannot **Impede**, and a glory road without covetous **Greed**. It is a realm where we will not beg nor **PLEAD**, but a dimensional shifting where we must take **Heed**, that the release of HIS unlimited GLORY says, **Guarenteed!** He who the SON sets free is free **INDEED** and in their **DEEDs!**

Beloved, you don't merely get what you **deserve**, rather, you get...

1 - What you Picture {Eyes of your understanding flood with Photizo, as in photo...Ephesians 1:18}

2 - What you Focus {Focus, not Hocus Pocus}

3 - What you Say {Abundance of the heart the mouth {not Moth} Speaks}

4 - What your Dominate thoughts are - patterns in us that are attracting things to us...{As a man thinks in his heart, so is he}

5 - What you Reward {Give kind responses, good manners, compliments, approbation and praise to others, and it will come right back to you, and sometimes in surprising ways}

For the next few moments, take a look at the pictures we provide for you below and say what you see in what the Lord is SEEING and SAYING. Receive now money in the Spiritual dimension, spilling over into and through the soul {Renewed Mind or Soul-er Energy, hahaha}, and animated through the body. God is simply not giving away money, but searches and seeks throughout the earth those whom HE can trust with His TRUST and Kingdom Resources!

He wants good stewards in the earth, not money grubbers and self-centered peoples. God desires to reveal revelation unto revolution that HIS source sets the course for accomplishing Kingdom objectives and initiatives, strategies, and designs, patterns and purposes, and pre-destinations. Wealth is not alone money, but is a way of LIFE. How we live, what we think and believe produces corresponding actions and will tell us who we really are {or acting like} in God's scheme of things. We don't necessarily need money from the lower dimension, we Need HIM who is ALL-2-Gether Lovely, and we shall receive and release HIM in the earth in a myriad of ways.

Yes, we can pray in faith for money and resources, but in the Melchisedec Order, we simply release the Word of the Kingdom, a Universal Blessing, an Eternal Blessing, a Verbal Blessing...and things appear. We call forth HIS word, HIS sound, and HIS manifest Presence as possessor's of Heaven and Earth, and the impartational and generational blessing of Melchisedec speaks fluently into nations and generations to come. It is **Transitional**, **Transformational**, & **Trans-Generational**...

FROM GLORY to GLORY

I want you to see yourself from Glory to Glory, from Dimension into Dimension, not mere steps and levels, but in Multi-Dimensional shiftings, from the Glory of the Sun, Moon, Stars, realms of Glory...1 Cor. 15

From Heaven to Earth...First the Spiritual, than the Natural...In purpose, destiny, and God's divine design, see yourself prospering in all realms of LIFE, not just one who desires to go to heaven, but as one sent from heaven to Earth, the Word which goes forth out of HIS mouth not returning unto himself Void, but accomplishing what HE pleases, and prospering wherever and whomever HE sends you to...**Isaiah 55:11** or **55** and **11 equaling 66**, or as in the **66** books, coming in the volume or volumn of the Book of LIFE...but there is more to the unfolding glory of HIS story...including the many things Jesus did, that all of the books of the

known world then could not contain the Spirit of the WORD. Truth is written in our hearts, and a continuance of Himself is made manifested throughout time. More can be said of what Christ has DONE...For He is ever revealing, the I AM, and MORE...

See yourself in each of these, growing in leaps and bounds...When you see it, SAY it!
