A Kingdom Apostolic - Prophetic & Interactive Forum of Present Day Truth in establishing African American inner Cities and Cross - Cultural Communities through REVELATION, RECONFIGURATION, RE-ACTIVATION, REALIGNMENT, REFORMATION, RESOURCES, and more - into a bold new advance of the kingdom.

This apostolic strategy was founded or inspired by Dr. Tim and Theresa Early in 2006 to pierce, penetrate, and to pioneer the stabilizing influence of the kingdom within African American and cross-cultural communities, with the navigational properties of the apostolic and prophetic dimension, and the dimensional shift of transitioning inner cities saints from church to kingdom.

Since December 2007 when the Early's returned from some time spent in Baltimore, MD, their home town, a deeper apostolic burden arose and a quickening truth of prophetic and apostolic reformation took place within them as they revisited their neighborhoods. Tim lived much of his life on the west-side Baltimore on West North Avenue {The Avenue as often alluded to on popular nationwide television shows} in the Walbrook Junction region, and Theresa on the West Side, too, near Popular Grove. Both neighborhoods are some of the roughest neighborhoods in the USA today, and many wonderful people grew up there and remain today as a standard of great things to come. Yet many churches are in those same communities as well, and many more with church as USUAL!

This apostolic burden brought to light the importance of C.U.S.H. to all inner cities and cross-cultural regions of the USA, a real love for saints, assemblies, and kingdom business to join together in deep intercession, prophetic alliance, apostolic rebuild, and regional regeneration and transformation. Below is a brief look at C.U.S.H. for your edification and empowerment.

Some of the chief purposes and core dynamics of C.U.S.H., CORPORATE UNCTION & STRATEGIES HABITATION as follows.

- To release the sound of the global awakening of the saints right in their communities, with a grasp of what the Lord is speaking, saying, and doing in earth, and not alone other sectors thereof.
- To unite in prayer, apostolic - prophetic intercession, and the unity of the Spirit for a mighty release of HIS kingdom in inner cities communities.
- To develop forums of intense discussion, prayerful deliberation, and understanding of present day truth.
- To meet as a congressional leadership with diplomatic procession and ambassadorial summits through kingdom - prophetic - apostolic focuses on what the sound of HIS presence is revealing to these regions as we shift from church to kingdom {The Kingdom produces the church}.
- To understand the purpose and destiny of inner cities regions with focus to witness regional regeneration and transformation into the accurate patterns of the kingdom, and to release a bold new configuration through the upward spiral of the Holy Spirit for all regions in equality and liberality.
- To converge, convene, commence, commune, and to covenant together for the inner cities regions with divine alignments producing divine assignments for leaders and saints to acquisition with embrace, and to move forwardly through present truth revelation.
- To provide revelatory resources of {1} the revelation of GOD which produces {2} the revelation of MAN which produces {3} the revelation of the KINGDOM which produces {4} the revelation of the CHURCH which produces {5} the destiny of the NATIONS {including regions, spheres, communities, provinces, and abroad}.
- To provide Training for Reigning, Schooling for Ruling, Retooling Mechanisms, Re-calibrations, Foundation, Impartation, Conferral, and Activation of the inner cities into the global grace and glory of the Lord, to witness the arising of the Lord from inner cities in an unprecedented way.

To release the streams of HIS presence within inner cities communities which prophetically connects all regions to the global infusion of present day truth and the saturation of the cities and neighborhoods into the glory of HIS kingdom.

- To provide from time to time, and region to region, 3 day sessions from Friday to Sunday of {1} DAY ONE - all day worship and praise or ministering unto the Lord, {2} DAY TWO - all day teaching and training, retooling, schooling, foundation, and the proclamation and declaration of the NEW DAY amongst the inner cities of America, which is allowing HIS word to MINISTER unto us. {3} DAY THREE - To receive Impartation and activation, of gifts, callings, purposes, destinies, conferral of ministries, ordinations, affirmations, and kingdom releases to the saints in the inner cities, and {or, Ministry one to another}, and, if a {4} DAY FOUR is needed, set things into regional order through regional relationship as in Titus 1, ordaining elders in every city in the name of the Lord {Acts 14 - Ordaining elders in every church}.
- To raise up apostles and elders in the inner cities regions, the gathering of prophets, and the facilitation of assemblies, kingdom businesses, and saints with some of the following dimensions of prophetic ministry...

This means that the inner cities are going to experience and be equipped with a flood of revelatory upgrade, as they posture and position for the download of universal revelation, divine linguistics, as prophetic songs, sounds, cords, and vibrations always accompany a prophetic and apostolic shifting in the Spirit. The inner cities will re-relate to the universal glory of the Lord as the Lord increases the inner cities with Boldness, Brightness, and Beauty of a NEW DAY...

  10. There is more, but this shall suffice for NOW...

Inspired in part by the revelation of William Seymour's 100 year celebration of Azusa in 1906, C.U.S.H. not only acknowledges the considerable depths and contribution of this pace setter, and the world Centennial celebration of this historical event in April 2006, but to acknowledge that we are not aiming for another Azusa at all, as Azusa is Prophetically the Feast of Pentecost. Rather, looking ahead in the mind, will, purposes, and oracles of God as Pentecost makes way for the Feast of Tabernacles, the Fullness of HIS feasts.

What took place in the Centennial of 2006 and the commemoration of William Seymour {YOU WILL SEE MORE} is simply closure to one dimension of grace and glory, as the Holy Spirit is the Earnest of Our Inheritance, the cry of the Spirit which says, "THERE IS MORE NOW AND MORE TO COME!!! We see ahead something in times past we have not seen before. And it is time for the church, the saints, and the advance of the KINGDOM to BOLDLY GO WHERE NO {CARNAL} MAN HAS GONE BEFORE...

There needs to be new leadership and leader-shift in CUSH for the global breakthrough the Lord is bringing through the steerage and leadership of New Kingdom Reformers, a whole new breed of Apostolic Strategists of Architectural Patterns and Designs; A New World Order of Kingdom Apostles and Prophets who will establish the foundations of our understanding and to help restore to man the image of God and the Dominion of Purpose.

Any new movement or dimensional shifting is not always celebrated, though for some tolerated. But we must not be abashed and despise the New SON-rise amongst C.U.S.H. for its strategic place, position, and purpose in advancing the kingdom through their instrumentation and technologies. We must reveal and to fervently establish that the construct in life for all spheres and phases is KINGDOM. The model of Life as we know it on {in} earth is KINGDOM.

All lawful, legitimate interactions and pursuits, modulations and compilations of bold new discoveries, and all of the 12 major world systems of the earth is to become {Revelation 11:15} KINGDOM. Therefore, C.U.S.H. {CORPORATE UNCTION & STRATEGIES HABITATION} is getting ready for a new thrust into Kingdom Agenda, Kingdom Alignment, and Kingdom Assignment for Kingdom Advancement.

This is just a synopsis of C.U.S.H. Corporate Uction {ing} & Strategies Habitation. It is not exclusive to the Inner Cities of America, but is welcomed by all as we define our divine designs, and divine alignments which produces or reveals Divine Alignments...

Once again, welcome to C.U.S.H., a forum of apostolic and prophetic purpose, kingdom agenda, unto kingdom advancement...
