

FAP INTERNATIONAL NETWORKING

The FAP International was founded in 1995 by Dr. Tim and Theresa Early of the United States of America, who were born in Baltimore, Maryland and transitioned to Houston Texas. With 34 years of apostolic ministry and 26 years of marriage, Dr. Tim has been working vigorously to set the tone and pace for knitting together before networking, developing pristine relationships which leads to a deeper substance in launching mentalities into present truth kingdom configurations through a NOW and preceding word of the Lord.

Tim believes that each preceding word for our generation is to become "Revelational, Relevant, and Relational to the nations", thus, the leadership base of FAP International is relation-base ministry.

The FAP International believes that the construct of Life in all spheres, phases, mechanisms, functionalities, and technologies in the earth is to embrace, become, and to reflect the Kingdom. The basis for true revolutionary revelation in pioneering kingdom communities abroad is in the understanding of the King and His kingdom in the earth, and the instrumentality of the church, God's venue and vehicle of expression, to promote, proclaim, and to promulgate these kingdom initiatives into transparency and tangibility among the corporate anointing of the saints, via, the church, the marketplace, the nations.

Other Important Core Values of the FAP International

Here are the accurate plans and patterns of the F.A.P. International, as we, the instrumentation of the kingdom of God together witness a mighty corporate release in the earth through appointed and right relationships and T.E.A.M. ministry.

1. The Father's heart is to network together through relationship, not legislation. The Father's heart is to be a body ministry according to Ephesians 4:11-16, involving accountability, responsibility, and maturity.
2. The Father's heart is to relate through purpose and not mere program. The Father's heart is destiny-driven through the diverse spheres of the global saints. It is a journey back to dominion. {Genesis 1:28}. It is rediscovering the Dominion Mandate through the corporate anointing, corporate relation, and corporate demonstration of the global saints in HIS appointed place.
3. The Father's heart is to develop qualitative and quantitative depths of relationship. For some would prefer networking through a global sphere, and others on a more intimate and covenantal basis. We do give detail upon establishing relationships of the levels of responsibilities and mutualities of HIS divine appointing one to another...This is the Lord's doing, and it is marvelous in our eyes.
4. The Father's heart is to see the nations return to the Lordship, Headship, Preeminence, and Centrality of Jesus Christ. The Father's heart is purposed to do so by reformation and restructuring of the church into the present configuration of the kingdom. The Father's heart is to reshape and to remove the defects and faulty foundations transitioning people from a church mentality to a kingdom mentality, for the kingdom produces the church.
5. The Father's heart is to support, encourage, strengthen, and to serve the local ministries and businesses, bringing to mind that there is but one church in every region. One purpose, one ultimate and divine intention, and one progressive unfolding of the accurate plan and will of God for each locality. Isaiah 14:26; Acts 1:8. FAP teaches and trains the global saints in regional transformation and regional regeneration, and encourages leadership, ministries, and saints to align to the certain sound the Lord is bringing to their given regions, as recorded in 1 Corinthians 14:6-8, and Numbers 10:1-10 .
6. The Father's heart is to see the saints grow up into the headship of Christ through the divinely ordained and set ministries of Ephesians 4:11-16, 1 Corinthians 12:28, and Ephesians 2:20-22. The Father's heart is to have a mature and glorious church functioning with focus in all spheres of life from practical kingdom to ultimate kingdom. For the kingdom is the agenda of the saints.
7. The Father's heart is to establish three important "R's" for corporate destiny. These are 1- Right Revelation, 2- Right Relocation, and 3- Right Relationships. Note below.

Right Revelation is coming into the upward spiral and bold new frequency of the Spirit, the language of the kingdom, and present day truth. Right Revelation is more than a "We believe," but "Whom we Believe, HIM." Right Revelation is essential for you to administer through your given technologies of the kingdom. Right Revelation brings focus to our

functioning, and stabilizes us to minister from the anointing, authority, and agenda of the Holy Spirit in the advancing of the kingdom.

Right Relocation is the principle of transitioning into God's order and design for your life and ministry. We call it LIFE by HIS Design. Right Relocation is being where the Father has purposed for you, and involves not only where, but also with whom. Right Relocation is connected to Psalms 133:1-3, as the oil and ointment on the beard now flows from the beard. It acknowledges that one must be in the well-defined place of the Spirit, as the oil flows, and we, in position to receive and to dispense of this corporate anointing...

Right Relationships clearly defines the necessity of being connected and covenanted with seasoned, fruitful, mature, proven, and valid ministry, as even Jesus Christ bore no witness of himself. Right Relationships clearly recognizes divine relationships, kingdom order and alignment and that God have what we need in one another, as iron sharpens iron. Right Relationships give birth to global breakthroughs and kingdom influence throughout the nations. Right Relationship is a mandate dimension for kingdom advancement and the corporate destiny of the saints universally.
