BRIEF BUSINESS DESCRIPTION

Founded in Houston, Texas in 2002 with the encouraging need to address today's demands by interpenetrating and influencing various social climates and spheres with core values, interfacing mechanisms of congruency, and core dynamics for fulfilling ones potential in LIFE, Dr. Tim Early of Tim Early and Associates developed an effective strategy for ergonomic enhancement and personal discovery.

Since 2002, Tim Early and Associates developed motivational leadership packets in the local communities, which later spread across the Internet, and in helping others to reach and fulfill their God-given potential and by applying key core principles to maximize their living. Later, a new interactive forum was discovered and marketplace seminars were in demand.

Today, Dr. Tim Early and team of Tim Early and Associates host mobile leadership interlinks or trans-local initiatives to impart, teach, train, develop, equip, empower, and to activate many into becoming what they already are, through enlightenment and personal discovery of their God-given genius., the genealogy of the Gene, the genetics of a purposeful LIFE...

EXECUTIVE SUMMARY

Tim Early and Associates specializes in the Science of Personal Technology, Performance Enhancement, Motivational Training, Life Enrichment, Coaching and Mentoring of Personal Success, developing A-1 Champions to influence society in a peaceful, progressive, and positive stride by improving our serve one with another and the betterment of LIFE on earth.

The Company continues to making lasting impact and prolific strides with countless many who want a fresh run at life, a personal makeover in life application and practicalities, and the tools to re-launch others into the fulfillment of their God-given assignment in LIFE with a goal of reaching at least 10,000 people a month through seminars, training modules, workshops, and mentoring and coaching sessions provided through multi-media, massive marketing, strategic campaigning, and the simpler one-on-one personal approach.

OBJECTIVES AND MISSION MANDATE

In the days ahead, Tim Early and Associates will continue to develop world changers social reformers, and people with positive influence to making a better world we live in. From professional corporate business enterprises, religious institutions, town-hall community centers, to the blessedness of the sacred family union, Tim Early and Associates want to be an integral part of your progression.

The goal is to have multiple empowerment sessions, training centers, and the certification of leadership on a massive scale with core competencies in bringing the right configuration into the lives of those who expect a positive change to take place within them, as they so desire in their world surroundings. For God made the earth, we create the world that we live in through metamorphic change into the construct of what LIFE is all about on every human level.

Brief Bio and History of Dr. Tim Early

Tim Early was born and raised in Baltimore, Maryland. He, and his precious wife Theresa, moved from Baltimore to Houston, TX in August of 1989. Happily married together for over 26 years, and the proud parents of two sons and one daughter, Tim and Theresa are also ordained in the work of the ministry. With almost 34 years of ministry for Tim, and 25 years of ministry for Theresa, they function as an apostle - prophet team to the nations, and are available for ministry. The fruit associated to their given purpose is become unto countless many transformational, foundational, trans-generational, governmental, and destiny-oriented.

They have founded and established the FAP International - Foundation of Apostles and Prophets - {Ephesians 2:20-22}, a global interactive, covenant kingdom community - network and sphere of influence which is interconnected in 6 different continents with recognized leadership serving as intercontinental leaders worldwide. Founded in 1995, the Early's have produced over 150 self-published books and booklets, and over 13000 pages of strategic impartation to

over 130 nations of the earth. They are spiritual fathers to appointed people worldwide. Their weekly email editions have been honored by thousands and highly esteemed as meat in due season...

In addition to their sphere of influence, Tim and Theresa also founded and established the GLI or Global Leadership Institute, an Epicenter of Kingdom Instrumentation and Technologies, an interactive and international training center, an empowerment module for effect leadership.

They are the founders of Tim Early and Associates, A Joseph - Daniel marketplace and workforce initiative with sound governing principles for making a powerful and positive change in our world by discovering the importance of the power and science of personal technologies, the utilization of this transformational knowledge, and the betterment of mankind one and another.

And there is more, Dr. Tim and Theresa Early has also founded C.U.S.H., or Corporate Unction and Strategies Habitation, in part, a global apostolic - prophetic kingdom ministry designed to help raise the banner and standard amongst many inner city ministries who may have not been connected to an international sphere of relational - revelation toward Global Reformation.

With a history of establishing local assemblages including Lord of the Harvest Ministries, Tabernacle of Restoration, and the Feast of Tabernacles, Dr. Tim and Theresa Early are down to earth and quite family-oriented indeed. Once again they are available for ministry and are here to serve you and yours...
